Major: ______

General Education 2019 –20

Student Planning

General Education courses are a required part of all B.A. and B.S. degree programs and comprise a minimum of 44 of the 180 credit hours necessary for graduation. These courses help students build the foundational skills they will need for advanced study in their academic majors and assists them in developing a foundation of basic knowledge necessary for a more successful personal and professional life.

General education and degree requirements for the Bachelor of Music (B.M.), Honors Program, and Applied Baccalaureate (A.B.) may be found in the WOU Course Catalog. Completion of graduation requirements is the

It is critical that students consult with their academic adviser as they select general education courses. Many majors and minors have prerequisites or suggestions for coursework.

Courses completed as part of the general education requirements may also be used to fulfill requirements within a student's major or minor program. Advisers can assist with clairfying this

Transfer students who have not completed an approved transfer degree should meet with an adviser in Student Success and Advising. Exceptions to the following requirements may be an option.

HAS:

NEEDS:

FIRST-YEAR SEMINARS

(Two courses, 8 credits) Explore interesting topics in small classes while building foundational skills for college success. A topics list for the academic year may be found at: wou.edu/gened/fys-schedule

- ☐ FYS 107 Writing-Focused First-Year Seminar
- ☐ FYS 207 Quantitative-Focused First-Year Seminar

(Up to two courses, 0-8 credits) Gain an introduction to processes, strategies, and conventions that promote the effective development and communication of ideas in writing. Students may demonstrate competency on WR 121 by earning a 560-800 score on the writing portion of the ACT. Go to wou.edu/english/first-year-writing for writing placement information. WR 121 (credit may be earned with an AP writing score of 3 or higher) WR 122 FOUNDATIONS: Mathematics* HAS: (One course, 0-4 credits) Learn and practice problem solving, modeling, and quantitative reasoning and the communication of mathematical and logical arguments and concepts. Students may show competency by scoring 61 or higher on the WOU ALEKS Math Assessment, earned in a proctored and timed testing environment. Go to wou.edu/math/aleks for math placement information. *Students taking MTH 211 must also take MTH 212; all other students take one math course or demonstrate competency. MTH 105 Math in Society MTH 211 and MTH 212 Foundations MTH 243 Statistic earned with AP St of 3 or higher) MTH 231 Elements of Discrete MTH 111 College Algebra MTH 231 Elements of Discrete MTH 251 Calculus earned with AP St of 3 or higher) FOUNDATIONS: Communication and Language HAS:

General education is a crucial component of the learning experience at Western Oregon University, providing students with fundamental skills for lifelong learning. Students apply, communicate and integrate ideas from a variety of disciplines. They gain abilities to think and act critically as citizens of a complex and ever-changing world. The curriculum empowers students to pursue diverse interests and perform varying roles in their personal, social and professional lives.
