

## Liberal Arts Core Curriculum Advising Guide • 2013-2014

The Liberal Arts Core Curriculum (LACC) is a required part of all BA and BS degree programs and comprises a minimum of 54 of the 180 credit hours necessary for graduation. WOU's faculty has designed the LACC to prepare students for advanced study in their academic majors and to help students develop a foundation of basic knowledge necessary for a more successful personal and professional life.

General education and degree requirements for the Bachelor of Music, Bachelor of Fine Arts in Art, Bachelor of Fine Arts in Theatre, and Honors Program may be found in the WOU Catalog.

*Completion of graduation requirements is the responsibility of the student.*

### Liberal Arts Core Curriculum components

(Minimum of 54 credit hours of specific coursework)

*It is critical that students consult with their academic advisor as they select LACC courses. Many majors and minors have prerequisites or suggestions for coursework within the LACC. Courses completed as part of the LACC and/or BA/BS/BFA requirements may also be used to fulfill requirements within a student's major or minor program—refer to your advisor.*
