The LACC is a required part of all BA, BS, and BFA degree programs and comprises a minimum of 54 of the 180 credit hours necessary for graduation. The LACC prepares students for advanced study in their academic majors and helps students develop a foundation of basic knowledge necessary for a more successful personal and professional life.

General education and degree requirements for the Bachelor of Music (B.M.), Honors Program, and Applied Baccalaureate (A.B.) may be found in the WOU Course Catalog. Completion of graduation requirements is the responsibility of the student.

It is critical that students consult with their academic advisor as they select LACC courses. Many majors and minors have prerequisites or suggestions for coursework within the LACC. Courses completed as part of the LACC and/or BA/BS/BFA requirements may also be used to fulfill requirements within a student's major or minor program—refer to your advisor.

Transfer students who have not completed an approved transfer degree should meet with an advisor in the AALC. Exceptions to the following requirements may be an option.

### Social Science elective (3-4)

**HAS _______  NEEDS ________**

Take any additional three or four credit social science course from the above Social Sciences or take an additional three or four credits from any 100 or 200 level Psychology or Criminal Justice course.

* Course may have prerequisite.
Basic B.A./B.S. degree requirements

Specific information regarding the mathematics and computer science requirements for each major may be found in the notes following the major program description in the WOU Catalog.

Complete the mathematics portion of your degree by the end of the sophomore year (90 credits).

<table>
<thead>
<tr>
<th>Bachelor of Arts (B.A.)</th>
<th>Bachelor of Science (B.S.)</th>
