

Zoom Tutoring for Fall 2020

Instead of in-person appointments this term, we are offering virtual/online tutoring via Zoom! We still offer free course-based and study skills (time management, note-taking, test-taking, study habits, etc.) tutoring.

Here's how to schedule an appointment:

- 1.) Login to your WOU Portal, then click the blue “WCS” button at the top.
- 2.) Select “Get Support,” and select “Tutoring” as the service you want.
- 3.) Click “Student Success and Advising” and follow the prompts from there to schedule either a Course-Based or Skills-Based appointment. The system will automatically pull your class schedule to avoid scheduling an appointment over a class time.

Once you schedule an appointment, you will receive a confirmation email, with a link to join your Zoom appointment at the time you chose. Zoom has audio, video, chat, and screen sharing capabilities. As a backup option, if you are having technical difficulties and are unable to join the session, your confirmation email also has instructions on how to join the appointment via phone.

Happy tutoring! For any questions or concerns, please contact **tutoring@wou.edu**
