Interpretation Request: Base Budget

At the January 26th meeting of the Judicial Board, the board delivered an interpretation to define all instances of the termed phrase: “base budget” across the Governing Documents and Statute for Chartered Organizations. For the purposes of the ASWOU Director of Business and Finance, as well as all ASWOU Chartered Clubs, the term “base budget” is interpreted to mean the current year’s allocation. This base budget will be applied in instances where a given organization’s budget may be cut or enhanced per the rights and obligations already outlined within the Governing Documents and Statute for Chartered Organizations.

If you have any other questions, please contact Judicial Administrator Young.

The ASWOU Judicial Board
