

Proposal for new Accelerated Undergraduate to Master's Pathway (AUMP)

1. We recommend submitting the proposal at least three terms in advance of when you intend to take applications for the program. Select the term and year your program will admit AUMPathway students.

___ Fall 20___ ___ Winter 20___ ___ Spring 20___ ___ Summer 20___

2. Participating Undergraduate Program: _____
3. Participating Master's Program: _____
4. AUMP programs require close coordination of the undergraduate and graduate degree requirements. Students, the Registrar and the Office of Graduate Programs must know who is responsible for program administration and who will provide information to students interested in the program.

Please provide the name(s) of the undergraduate advisor contact(s):

Please provide the name(s) of graduate advisor contact(s):

5. Other than the criteria for acceptance and the standard graduate program application, will the program have additional admission requirements such as specific letters of recommendation or completing a particular course(s) in their undergraduate degree? Please explain.

6. What are the graduate courses you expect to be frequently utilized by undergraduates in the AUMPathway? UG Programs with concentrations have very specific requirements. In these cases a course crosswalk will be required.

7. List the maximum number of credits a student may use to count towards both the bachelor's and the master's degree (current maximum is 16).

- Undergraduate maximum: _____
- Graduate maximum: _____

8. Any other information that you would like to provide for submission:
