Western Oregon University
Revolving Charge Account Plan Terms and Conditions

Terms and conditions of the Western Oregon University ("WOU") Revolving Charge Account Plan are:

PAYMENT OF FEES/PROMISE TO PAY

I understand when I register for any class at Western Oregon University or receive any service from Western Oregon University, I accept full responsibility to pay all tuition, fees, and other associated costs assessed as a result of my registration and/or receipt of services. I further understand and agree my registration and acceptance of these terms constitutes a contractual agreement (i.e., a financial obligation in the form of an educational loan as defined by the U.S. Bankruptcy Code at 11 U.S.C. §523(a)(8)) in which Western Oregon University is providing me educational services, deferring some or all of my payment obligation for those services, and I promise to pay for all assessed tuition, fees, and other associated costs by the published or assigned due date.)

I understand and agree if I drop or withdraw from some or all of the classes for which I register, I will be responsible for paying all or a portion of tuition and fees in accordance with the published tuition refund schedule at Western Oregon University by Business Services. I have read the terms and conditions of the published tuition refund schedule and understand those terms are incorporated herein by reference. I further understand my failure to attend class or receive a bill does not absolve me of my financial responsibility as described above.

DELINQUENT ACCOUNT/COLLECTION

Financial Hold: I understand and agree if I fail to pay my student account bill or any monies due and owing Western Oregon University by the scheduled due date, Western Oregon University will place a financial hold on my student account, preventing me from registering for future classes, obtaining transcripts, or receiving my diploma.

Late Payment Charge: I understand and agree if I fail to pay my student account bill or any monies due and owing Western Oregon University by the scheduled due date, Western Oregon University may assess a late payment fee. In addition, my account is subject to a revolving plan service charge if not paid in full by the tuition deadline each term as well as finance charges not to exceed one percent per month (12% APR) on the past-due portion of my student account until my past-due account is paid in full.

Past Due Accounts: I understand that it is my responsibility to make payments by the due date regardless of circumstances. Failure to receive a billing prior to the first of the month is not an acceptable excuse for late payment. Western Oregon University may impose penalties or undertake other actions upon past due accounts as follows:

Registration may be denied or canceled; b. The extension of credit, provision of services, transcripts, diplomas, and graduation may be withheld or denied; c. A 15% in-house collection/referral charge could be assessed. d. This debt may be referred to an outside agency or the Oregon Department of Revenue. The collection agencies or the Department of Revenue's cost of service will be added to the unpaid balance that must be paid. This could be up to 33% of the amount referred; e. Other collections costs, court filing fees, and reasonable attorney fees incurred by WOU at trial or upon appeal may be added to this account if necessary; f. The status of this account may be reported to credit bureaus; g. Eviction from student housing may result when past due amounts relate to housing department charges.

Collection Agency Fees: I understand and accept if I fail to pay my student account bill or any monies due and owing Western Oregon University by the scheduled due date, and fail to make acceptable payment arrangements to bring my account current, Western Oregon University may refer my account to a collection agency. I further understand if Western Oregon University refers my student account balance to a third party for collection, whether an attorney or collection agency, I will be responsible for any costs (including but not limited to collection fees) associated with attempting to collect the monies due and owing. I understand a collection fee will be assessed and will be due and owing in full at the time of the referral to the third party. The collection fee will be calculated at the maximum amount permitted by applicable law but not to exceed 33% of the amount outstanding. For purposes of this provision, the third party may be a debt collection company or an attorney. If a lawsuit is filed to recover an outstanding balance, I shall also be responsible for any costs associated with the lawsuit such as court costs or other applicable costs. Finally, I understand that my delinquent account may be reported to one or more of the national credit bureaus.
