Health and Wellness Center – HWC Mezzanine

A motion to approve the minutes was brought to the committee by Rob; a second from Danielle, approved by vote of 3-0-0.

The HWC membership rates for 2012-2013 were approved by IFC for \$87 per fall, winter and spring term and \$65 for summer term. A consensus arose from the committee that the rates should stay the same for WOU Community members.

An overall conversation regarding membership access to the HWC was discussed. The opinion of the committee were Emeritus and Retired Faculty/Staff memberships should be allowed with no limitations unless it becomes a issue and then should be limited in number. The Polk County Fire Department is more than welcome to set-up rentals to utilize the climbing wall at the on-campus WOU Department's rates. As for memberships they said there are enough other community resources that membership not be extended. Climbing Wall classes and memberships similar to the Aquatic Center should be allowed and perused for outside community as a revenue generating operation. As agreed any issues that create a hardship on WOU Community should result in reduction of usage or memberships. Summer youth and adult programs were accepted as long as they were revenue generation for the HWC and are targeted for WOU Community members.

The Committee was asked to comment on the new outdoor skateboard holders and policy signs. The general consensus was the signs were nice and they were the same rules that have been in place since the facility opened. No one had any issue regarding the outdoor skateboard holders.

A motion to approve the recommendations was brought to the committee by Rob; a second from Danielle, approved by a vote of 3-0-0.
