

WR 135 SIGNATURE ASSIGNMENT REFLECTION PROMPTS

1. Consider your signature assignment essay and the trait-based rubric that is attached to your syllabus: what are your essay's strengths? weaknesses? Use specific references from your work to support your claims.
2. If you were given more time to revise your essay, what would you improve or change?
3. Review the WR 135 student learning outcomes listed on the first page of your course syllabus: how does what you learned through completing the signature assignment connect to the learning outcomes of this course?
4. What does your work on the signature assignment illustrate about you as a learner? Be specific.
5. What connections do you see between your work on the signature assignment and your life beyond the classroom?
6. What do you know about having reasonable expectations for yourself as you improve as a writer? What is your plan for continuous improvement beyond this class?
