Room

Date: Oct 22, 2014

Time	Agenda Item	Who	Outcome/ Follow-up
3:50	International Education Week	Ermie Buncal, Ambre Plahn	Ermie reported on the plans this year for International Education Week. See all information on the OIED website: http://www.wou.edu/press_release/international_education_week_11_4_08.html
	Maria Nelida from Rosario Argentina will be on campus next week	Sam Summers	Sam Summers arranges visiting scholars schedule on campus. The Rosario Site Director, Maria Nelida de Juano's visit on Wednesday, Oct 29
	Welcome Sign, printed and distributed	Rob Troyer	Rob Troyer will make sure the Welcome Card will be distributed to all interested faculty
	Study Abroad Report	Ermie Buncal for Sam Summers	There are 10 students currently studying abroad and 30 more applications for winter and spring quarter. Spain and Ireland the popular spots this year. Ermie and Sam are in charge of reviewing new possible study abroad programs for WOU. There are courses and service learning programs available. Each must be related to current WOU coursework and degree programs.
		Terra Dotta electronic	Terra Dotta now makes software that helps universities manage records – at home and abroad – by managing international travel of students and faculty. Everyone who has used this program is pleased with the results.
	Survey for faculty with International	Rob Troyer	Congratulations, Rob was able to find a copy of the survey IESC wrote up last year. Committee members wish to make a more well defined

	experience		intention for this survey besides just finding interesting faculty experiences. Rob will write up a rough draft of the survey and sent to faculty to compile people interested in acting as information resources on campus
