

eCommerce Privacy Policy

Western Oregon University Foundation is committed to protecting your personal information.

Last updated November 2011

Security Statement

Donate to Western Oregon University with confidence. We have partnered with Authorize.Net, a CyberSource solution. Authorize.net has been a leading payment gateway since 1996, to offer safe and secure credit card transactions. The Authorize.Net Payment Gateway manages the complex routing of sensitive customer information through the credit card and electronic check processing networks. The company adheres to strict industry standards for payment processing.

Authorize.net adheres to strict industry standards for payment processing. The Authorize.net Gateway manages the complex routing of sensitive customer information through the credit card processing network and the storage of sensitive payment information. Any payment information that needs to be saved for later use, such as for scheduled recurring gifts, will be stored and managed on the Authorize.net servers.

Any credit card information, such as card numbers and expiration dates, that is submitted via this site will not be stored by any Western Oregon University entities. This site uses Authorize.net to securely and immediately process all payments and donations.

For additional information regarding the privacy of your sensitive cardholder data, please read the [Authorize.Net Privacy Policy](#).

Privacy Statement

Your personally identifiable information is kept secure. The PCI (Payment Card Industry) compliance standards were created to protect personal information and ensure security when transactions are processed using a payment card. WOU Foundation strives to comply fully with this standard.

The information you provide will be used by WOU Foundation for the purpose of correctly allocating, crediting, and acknowledging your gift. WOU Foundation will not sell or share any of your personal information. All information contained in the alumni and donor database is used solely for WOU related business. We may share information with governmental agencies or other companies assisting us in fraud prevention or investigation. We may do so when: (1) permitted or required by law; or, (2) trying to protect against or prevent actual or potential fraud or unauthorized transactions; or, (3) investigating fraud which has already taken place.

If you have any questions, concerns or comments about our privacy policy you may contact us at foundation@wou.edu or by calling (503) 838-8281.
