## General Education 2024-25

# Student Planning

General Education courses are a required part of all BA and BS degree programs, and comprise a minimum of 44 of the 180 credit hours necessary for graduation (most students complete an average of 60 credits).

These courses help students build the foundational skills they will need for advanced study in their academic majors and assists them in developing a foundation of basic knowledge necessary for a more successful personal and professional life.

General Education and degree requirements for the Bachelor of Music (B.M.), Honors Program and Bachelor of Applied Science (BAS) degrees may be found in the WOU course catalog.

Completion of graduation requirements is the responsibility of the student. It is critical that students consult with their academic advisor as they select general education courses. Many majors and minors have prerequisites or suggestions for coursework.

Courses completed as part of the general education requirements may also be used to fulfill requirements within a student's major or minor program—refer to your advisor.

Transfer students who have not completed an approved transfer degree should meet with an advisor in Student Success and Advising.

## FIRST-YEAR SEMINARS

HAS:

NEEDS:

(Two courses, 8 credits) Explore interesting topics in small classes while building foundational skills for college success. A topics list for the academic year may be found at: [wou.edu/gened/fys-schedule](http://wou.edu/gened/fys-schedule)

FYS 107 Writing-Focused First-Year Seminar

FYS 207 Quantitative-Focused First-Year Seminar

## FOUNDATIONS

HAS:

NEEDS:

(Up to six courses, 10-28 credits) Practice lifelong learning skills applicable throughout your college career. The General Education program highly recommends completing Foundations requirements, particularly Writing and Mathematics courses, as soon as possible.

### FOUNDATIONS: Writing

HAS:

NEEDS:

(Up to two courses, 0-8 credits) Gain an introduction to processes, strategies, and conventions that promote the effective development and communication of ideas in writing. Students may demonstrate competency on WR 121 by earning a 560-800 score on the writing portion of the SAT and/or 21-30 score on the English portion of the ACT. Go to [wou.edu/english/first-year-writing](http://wou.edu/english/first-year-writing) for writing placement information.

WR 121Z Composition I  
(credit may be earned with an AP writing score of 3 or higher)

WR 122Z Composition II

WR 227Z Technical Writing

### FOUNDATIONS: Mathematics

HAS:

NEEDS:

(One course, 0-4 credits) Learn and practice problem solving, modeling, and quantitative reasoning and the communication of mathematical and logical arguments and concepts. Students may show competency by scoring 61 or higher on the WOU ALEKS Math Assessment, earned in a proctored and timed testing environment. Go to [wou.edu/math/aleks](http://wou.edu/math/aleks) for math placement information. \*Students taking MTH 211 must also take MTH 212; all other students take one math course or demonstrate competency.

MTH 105Z Math in Society

MTH 110 Applied College Mathematics

MTH 211 and MTH 212 Foundations of Elementary Mathematics I and II

STAT 243Z Elementary Statistics I  
(credit may be earned with an AP statistics score of 3 or higher)

MTH 111Z Precalculus I: Functions

MTH 231 Elements of Discrete Mathematics I

MTH 251 Calculus  
(credit may be earned with an AP calculus score of 3 or higher)

MTH 112Z Precalculus II: Trigonometry

## FOUNDATIONS: Communication and Language

HAS:

NEEDS:

**(One course, 3-4 credits)** Create, deliver, analyze and receive meaningful messages.

## EXPLORING KNOWLEDGE

HAS:

NEEDS:

**(One course, 3-4 credits)** Discover new content and ideas through exploration of a wide variety of scholarly topics. Begin your major while also gaining knowledge beyond it. Check with your advisor to see which of the Exploring Knowledge courses can also count in your major.

## EXPLORING KNOWLEDGE: **Literary and Aesthetic Perspectives**

**HAS:**

**NEEDS:**

**(Two courses, 6-8 credits)** Study and participate in creative work to foster a deeper comprehension of human culture and the ways in which it affects who we are, both as communities and as individuals.

## INTEGRATING KNOWLEDGE

**HAS:** **NEEDS:**

**(Two courses, 6-8 credits)** Use high impact practices and make connections between different areas of interest for deeper comprehension. Prepare for a dynamic, complex and interconnected world. These classes integrate knowledge you explored in other courses, and may have prerequisites, so check with your advisor to plan for Integrating Knowledge courses that interest you.

### INTEGRATING KNOWLEDGE:

**HAS:** **NEEDS:**

### Citizenship, Social Responsibility and Global Awareness

**(One course, 3-4 credits)** Examine the intersection of citizenship with other forms of identity, explore the moral and life obligations inherent to being human, and the degree to which we have an obligation to benefit the whole of society and the world.
