

oregon contraceptive care

Oregon ContraceptiveCare (CCare) helps you get the birth control that's right for you. Here are some examples of what CCare does and does not pay for:			
YES!		NO	
• Your choice of birth control	• Counseling about birth control and preventing pregnancy	• Treatment for STDs	• Female sterilizations
• Yearly visits		• Treatment for bladder infections	• Pregnancy tests not related to birth control
• Emergency contraception	• Vasectomies		

This clinic participates in CCare. This means we can provide free birth control and related services to people who meet certain requirements. To get these free services, a person has to:

- Live in Oregon
- Have an income up to:

Household size	Monthly	Weekly
1	\$2,658	\$613
2	\$3,592	\$829
3	\$4,525	\$1,044
4	\$5,458	\$1,260

Add \$933 per month or \$216 per week for each additional person

- Have U.S. Citizenship or Eligible Immigration Status. This includes people who:
 - Were born in the U.S., Puerto Rico, Guam, or the U.S. Virgin Islands
 - Have become U.S. citizens
 - Have an immigration status that is eligible for Medicaid, like refugee or asylee status

If you think you meet all the requirements above, fill-out the enrollment form and give it to clinic staff. The information on the enrollment form is only used to help us decide if CCare can pay for your services.

If you do not know if you have U.S. Citizenship or Eligible Immigration Status, talk to a clinic staff person.

If you do not have U.S. Citizenship or Eligible Immigration Status, you can still get free services at:
