2022 Summer Stayover Program

Are you undecided where you'll be living for the summer?

Whether you are working, taking summer classes, or just hanging out, the Summer Stayover Program may be for you!

Eligibility:

- Currently living on campus (Spring 2022)
- Renewed Housing for Fall 2022 during Housing Renewal

Summer students will live together in Arbor Park. 4 students per apartment. Most of Arbor Park will be closed for cleaning, repairs, and possibly conferences; therefore, summer students will live together as a community in one area rather than in their individual 2022-2023 room assignments.

The Process:

- Reserve a room for the 2022-2023 academic year during the Housing Renewal process (Do not turn in your Summer Stayover Application until you have selected your Fall room).
- Stay in your current room until your assigned summer room is ready
- Check into your summer room and move all of your belongings (you will be emailed about dates later)
- Turn in your Spring room keys
- Keep your same RSC mailbox
- Pay your summer rent monthly (through your Student Account in your Wolf Web)
- Check-out of your Arbor Park room & Check-in to your Fall Room (you will be emailed about dates later)
- Notify housing staff right away if you will be away during any of the scheduled moving days so other arrangements can be made.

<u>Meals</u>: Meal Plans are not available during the Summer. Your assigned apartment has a full-sized kitchen for your use. Bring your own dishes and cookware. Valsetz Dining Hall will be open limited hours depending on conference attendance. Please contact Campus Dining <u>dining@wou.edu</u> for more information.

Rates: The rate for Summer Stayover is \$2,475 per person (\$25/day for 14 weeks).

- Includes all utilities and campus network access
- Your Student Account will be billed and due incrementally at the beginning of each month
- \$500 due June 11 (or as soon as it shows in your Student Account)
- \$775 due July 1
- \$775 due August 1
- \$425 due September 1

To sign-up for this opportunity, please fill out the form on the reverse side and <u>submit it to University</u> <u>Housing</u>. Be sure to also submit your Summer Housing Contract with your application as well.
