PREAMBLE

This Collective Bargaining Agreement, entered into as of October 31, 2013, is between the State of Oregon, acting by and through the State Board of Higher Education on behalf of Western Oregon University (WOU/University), and the American Federation of Teachers, Western Oregon University, Local 2278 (Union).

ARTICLE 1: RECOGNITION

Pursuant to the certification of the Employment Relations Board (ERB) dated October 5, 1977, the University recognizes the Union as the exclusive representative of all faculty employees described in the certification solely for the purpose of collective bargaining with respect to salaries and other terms and conditions of employment.

Members of the bargaining unit are employees of WOU who hold academic rank (Professor, Associate Professor, Assistant Professor, Non-tenure track Assistant Professor, Instructor, and Lecturer) and who are regularly employed at .50 FTE or more for the purpose of collective bargaining with respect to salaries and other terms and conditions of employment. Excluded are those employees whose positions are contracted solely through the WOU Division of Extended Programs (DEP), and all positions properly excluded by law as supervisory or confidential.

Nothing in this Agreement shall be construed to prohibit the University or its representatives from meeting with any individual or organization to hear views on any matters; provided, however, that as to any matter which is a mandatory subject of collective bargaining or covered by a term of this Agreement, any changes or modification shall be made only through negotiation and agreement with the Union.

ARTICLE 2: DEFINITIONS

As used in this Agreement, except where the context plainly requires a different meaning or where a different meaning is stated:

Section 1. "Agreement" means all the definitions, terms, and provisions set forth in this contract consisting of 28 articles, excluding titles of articles, headings, and preamble, which are inserted solely for convenience of reference and shall not be deemed to limit or affect the meaning of any provision of this contract. A Memorandum of Understanding (MOU) is a non-contractual understanding between the University and the Union.

Section 2. "Board" means the Oregon State Board of Higher Education.

Section 3. "Board Rules" means the Administrative Rules of the State Board of Higher Education (also abbreviated "AR").

Section 4. "University" means Western Oregon University (WOU).

Section 5. "Days" means University academic workdays.

Section 6. "Division" is used to refer to academic and administrative units within the University. When utilized in an administrative sense, "department" refers to units such as Library and Media Services, the Office of the Registrar, and Student Services. Library and Media Services functions as an administrative department providing direct support for all aspects of the academic program. When utilized in an academic sense, "division" will refer to an academic unit which has been designated as being sufficiently large in terms of number of faculty assigned or sufficiently distinct in terms of academic mission to merit the assignment of a Chair such as Natural Science and Mathematics, Creative Arts, Business and Economics and Teacher Education. The term "department" when used in an academic sense will refer to an academic unit within a Division such as the Department of Art within the Division of Creative Arts. Because Library and Media Services staff are faculty members included in the bargaining unit, for the purpose of this contract Division will also refer to Library and Media Services.

Section 7. As used in this Agreement, the masculine purports the feminine, and the feminine the masculine.

Section 8. "Division Chair" means the Chair or Director of a Division as defined in item 6 above.

Section 9. "ERB" means the Employment Relations Board of the State of Oregon.

Section 10. "Member" means an employee who is a member of the bargaining unit as defined in Article 1 (Recognition).

Section 11. "Non-tenure track Faculty Titles" All Non-tenure track faculty hired to perform teaching duties will be designated by one of the following titles:

- A. Non-tenure track faculty holding baccalaureate degrees in disciplines where the Ed.D., the Ph.D or the M.F.A. is the highest earned degree shall hold the title of "Lecturer."

B. Non-tenure track faculty holding masters degrees in disciplines where the Ed.D. , the Ph.D or the M.F.A is the highest earned degree shall hold the title of "Instructor."

C. Non-tenure track faculty holding the Ed.D., Ph.D., M.F.A. or highest recognized earned degree in the discipline shall hold the title of "Non-tenure track Assistant Professor."

D. Fixed term faculty holding a minimum of a master's degree in disciplines where the Ed.D. the Ph.D. or the M.F.A. is the highest earned degree who are employed on a multi-term contract shall hold the title of "Instructor".

Section 12. "President" means the President of Western Oregon University.

Section 13. "Union" means the American Federation of Teachers, Western Oregon University, Local 2278,

Section 14. "Unit" or "Bargaining Unit" means the bargaining unit as defined in Article 1 (Recognition).

Section. 15. The singular purports the plural and the plural the singular as the context may require.

Section 16. "Program" means the officially recognized sequence/collection of courses required to complete an approved degree or set of certification/licensure requirements offered by WOU.

Section 17. "Academic judgment" shall mean the judgment of faculty and administration concerning appointment, reappointment, promotion, tenure status and merit salary increases of members, and matters of curricula and educational policy.

Section 18. "Collegiality" means the sharing of authority and responsibility among colleagues. A member exhibits a lack of collegiality when his/her actions are of such a disruptive nature as to hinder members of his/her division or department from fulfilling their professional responsibilities or that hinders the division or department from performing its academic mission.

Section 19. "Irreparable harm" includes, but is not limited to, any of the following actual or reasonably foreseeable results of acts or conduct by the member:

A. detrimental effect on the University's reputation, public trust or confidence, or delivery or provision of services;

B. adverse impact on the member's ability to educate students or perform duties effectively;
or

C. refusal, reluctance, or inability of other members or other employees or students to work or interact at the University with the member.

ARTICLE 3: UNION RIGHTS AND RESPONSIBILITIES

Section 1. Strikes. The Union, on its own behalf and on behalf of its officers, agents, members and members of the bargaining unit, agrees during the term of this Agreement not to participate or engage in, cause, or assist any strike or picketing concerning a labor dispute under this Agreement or ORS 243.650 et seq. For the purposes of this Article, a strike includes any stoppage or interruption of work, slow down of any kind, or other interference with the operations of the University, whether done in concert or singly. Any member of the bargaining unit who violates any provision of this section shall be subject to disciplinary action including loss of pay, suspension, and discharge. In the event of a violation of this Article, the Union upon request of the University shall immediately use its best efforts to affect the return to normal work routine of the members involved. Nothing contained in this Article shall be construed to be a limitation of any right of the University to any other remedies, legal or equitable, to which the University may be otherwise entitled.

For the duration of the Agreement, the University agrees not to lock out members of the bargaining unit.

Section 2. Released Time. Up to six members of the Union negotiating team may be released from unscheduled (as distinguished from scheduled) duties one month prior to negotiations and during the period of active contract negotiations. The Union negotiating team will be released from all committee assignments during the academic year. The Team Chairperson will be released from teaching one course or equivalent duties during Spring term.

Requests for released time to process grievance matters shall not be unreasonably denied.

The President of the Union shall be excused from unscheduled duties or equitable time if the President is a non-teaching employee. The University agrees to release the Union grievance officer from administrative and committee responsibilities.

Section 3. Facilities and Services. The Union is permitted use of the University mail and email services for notifying members of Union meetings and for communicating with members on official business matters of the Union.

The Union is permitted access to electronic services (excluding use of off-campus lines), and to other facilities and services of the University such as fax, duplicating, audio-visual and meeting rooms provided such use does not interfere with the regular operations of the University. The Union will pay the University the customary charges for the use of facilities and services, if any. Differences in facility value and service and rental rates will be made known.

The University will provide an office for the Union, furnished with desks, chairs, and a bookcase and services commensurate with those of faculty generally. The Union will pay the University monthly in advance at the standard rate for such space as calculated on July 1 of each year.

Section 4. Dues Deduction. Members of the Union may have regular monthly dues deducted from their paycheck. Authorization to deduct dues shall remain valid until written notice is given to the University by the Union to cancel or change the authorization. The Union will notify the employer at least sixty (60) days in advance of the effective date of any changes in the amount of dues and fees to be deducted under the provisions of this article.

The University will, in the month following the deduction, send payment to the designated Union treasurer the total amount so deducted accompanied by a listing identifying the members for whom the deductions are being paid.

Section 5. Access to Information. The University will routinely furnish the Union in a timely manner a copy of the University's annual operating budget, its biennial budget requests and other data pertinent to the Union's duty to represent its members. A copy of information furnished the Union under this section will also be placed in the Library for reference by faculty. The University shall also provide the Union with a complete list of WOU employees whose type of work is covered by the terms of this Agreement within forty-five (45) calendar days of the first day of the term, including summer. This list shall identify name, address, FTE assignment and bargaining unit status.

Section 6. Bulletin Boards. The University shall designate reasonable space on existing bulletin boards in each division for the use of the Union for posting notices and information related to Union activities. University personnel shall not be responsible for and shall refrain from posting or removing such notices from designated space.

Section 7. Indemnification. The Union shall indemnify and hold the University harmless from all actions taken by the University in compliance with Sections 4 and 5 of this Article.

Section 8. Fair Share Fee Deduction. In recognition of the certification of "fair share" in an election held for that purpose, bargaining unit employees who are not members of the Federation shall be required to pay a fee in lieu of dues. The University shall deduct this fee from the check of all employees in the bargaining unit who are not members of the Federation. The fair share fee shall be transmitted to the Federation in the same manner as are the payroll deducted dues for Federation members.

Exceptions. An employee who is a member of and adheres to established and traditional tenets or teachings of a bona fide religion, body, or sect which historically has held conscientious objections to joining or financially supporting a labor organization, may meet this obligation by paying the equivalent of the fees to one of the organizations on the approved list.

ARTICLE 4: CONSULTATION

Section 1. Officers of the Union and the President of the University or a designee agree to meet at the request of either party to discuss matters pertinent to the implementation or administration of this Agreement. The parties shall meet within ten (10) days of receipt of a written request for a meeting. The request shall contain an agenda of items to be discussed.

Section 2. The parties understand and agree that meetings held as provided in Section 1 of this Article shall not constitute or be used for the purpose of contractual negotiations. Neither shall such meetings be used in lieu of the grievance procedure provided for in Article 13 (Grievances).

ARTICLE 5: RIGHTS OF MEMBERS

Section 1. Nondiscrimination and Affirmative Action. It is the policy of the University and the Union not to engage in discrimination against any employee because of race, creed, color, marital status, religion, sex, national origin, age, sexual orientation, gender identity or expression, disability, or any other characteristic protected by law, including but not limited to, claims made pursuant to Title VII of the Civil Rights Act, the Americans with Disabilities Act. The Age Discrimination in Employment Act, 42 USC Section 1981, Family and Medical Leave Act. ORS Chapter 659A, or any other similar laws, rules or regulations.

Section 2. Office Facilities. The University will endeavor to provide each member with an adequately furnished private office and will endeavor to provide a conference room in each major building.

Section 3. Safe Conditions. The University will investigate promptly those conditions reported by members as possible violations of safety or health rules and regulations, and conditions believed to be an unreasonable hazard to persons or property. A member will not be required to work under a hazardous condition which will endanger the member.

Section 4. Use of University Facilities. Members may use the office assigned to them in connection with such professionally-related activities as preparation of professional manuscripts and materials, scholarly endeavors, approved consultancies, and service to professional associations, schools, or other groups or agencies for whom such service is appropriate. Upon request, faculty may use laboratories and studios for non-sponsored research and other scholarly activity. Upon request, faculty may use meeting rooms and other physical facilities for professionally-related groups subject to availability and prevailing policies of the University governing use of facilities.

The facilities of the TRC, Print Shop, computer labs and the use of University equipment are available to the faculty in connection with professional writing, research, or approved service projects subject to availability and to reimbursement at prevailing rates charged by the University.

Section 5. Individual Appointments. The University will not offer an individual member an appointment the terms of which violate this Agreement.

Section 6. Faculty Rank. Except for persons holding the positions of President of the University, Provost, Vice Presidents, Deans, or Chair of an academic division or those who have earned academic rank, the University shall not grant academic rank to any person who is not a member of the bargaining unit. Individuals not members of the bargaining unit and currently holding academic

rank shall retain such rank if they move to another position within the University that is not an academic position.

ARTICLE 6: APPOINTMENTS

Section 1. Availability of positions in the bargaining unit will be announced in appropriate University publications. Position announcements will be provided to the Union President or designee, upon request.

Section 2. No later than the time an offer is made, a prospective faculty member will be sent a sample Notice of Appointment, a copy of this Agreement, and information concerning whether the appointment is to be fixed term or annual tenure, and concerning salary, rank, frequency of pay, etc. The prospective member will also be sent a copy of institutional statements or Board rules governing promotion and tenure criteria, if applicable, including specific reference to the negotiability of prior experience toward eligibility for tenure.

ARTICLE 7: ASSIGNMENT OF DUTIES

Section 1. As provided in Article 10 (Responsibilities of Members & Disciplinary Procedures), faculty members shall be available for assignment of professional duties for the entire period of their appointment. Professional duties are recognized to include teaching, scholarship and service.

The University recognizes that it shares with its faculty the responsibility for appropriate accounting of time and effort, as well as, for the development and improvement of faculty performance. Accordingly, the University and faculty agree that Sections 2 through 7 below describe aspects of a faculty member's professional responsibilities and performance in these areas that shall be taken into account in all personnel actions.

Section 2. The University retains the right to assign faculty work load based on the needs of the student and the goals of the Department, Division, College and University. Professional duties shall be assigned by the Division Chair or appropriate administrative officers in accordance with the needs of the division and the strengths of the faculty member. The University will endeavor to ensure that assignments are made only after consultation with the faculty member.

Section 3. Because of the varied nature of the work and interests of the faculty members, no attempt is made to assign a number of working hours to the duties of scholarship and service.

Section 4. Tenured/Tenure Track Faculty Workload. The University recognizes the importance of teaching/librarianship, scholarship and service to the success of the institution. Each division will attempt to maintain a fair and equitable distribution of faculty workload.

A. Instruction:

1. Teaching Load: Full teaching assignments shall normally include 12 course credit hours of scheduled teaching per academic quarter. A course release (or equivalent reassignment of duties for library faculty) during one term of the first academic year will be provided to all newly hired tenure track faculty to further their teaching, scholarship and service and to encourage faculty retention. Wherever possible the University will endeavor to arrange teaching schedules that avoid excessive numbers of preparations and recognize evening and/or off-campus assignments. Class sizes

will be established and monitored by the appropriate academic dean in consultation with division chairs and affected faculty each term.

The following equivalencies will be used in determining teaching assignments:

- a. For laboratory hours in the Division of Natural Sciences and Mathematics for non-tenure track or tenured/tenure track faculty:
 - With a preparator, 0.75 to 1 hour of lab - each lab hour will count as 0.75 instructional hours.
 - For laboratories without a preparator - each lab hour will count the same as each hour of assigned classroom instruction.
- b. For the supervision of student teachers by tenured/tenure track faculty in the Division of Teacher Education: 0.56 FTE/student (1:18).

2. Reductions in Teaching Load:

a. Graduate Courses: Tenure track faculty assigned to teach two or more courses totaling six credit hours or more of 600 courses (excluding graduate thesis credit) in an academic term (excluding summer 600) will be assigned a maximum teaching load of 9 credit hours for the term(s) in which six or more credit hours of 600 courses are taught.

b. Scholarship: The University also recognizes the need to support faculty scholarship activities and may substitute scholarship duties for a portion of a full-time annual or full-time quarterly faculty teaching assignment. Such scholarship substitutions will be made by the University to individual faculty assignments for the purposes of strengthening selected academic programs or faculty development. This substitution shall be granted to individuals only. Annually, the University shall offer 18 course releases (3-4 unit courses) for engagement in scholarship, only. Faculty will apply to the Faculty Development Committee detailing the scholarly activity and expected progress to arise from the requested reassignment time. Faculty will also provide copies of their applications to the chair of their academic division and the dean of their college. A report on the outcome(s) of work performed during the release is to be submitted within three months of the affected term of release, copies of which will be available to the faculty development committee, Dean, and Provost's office. No future awards will be given in this category until the report is submitted. No departments shall be granted a department wide reduction in load. Division chairs will assign appropriate teaching and scholarship activity assignments when they submit the Schedule of Classes to the College Dean for approval.

c. Union Executive Council: The President of WOUFT shall, at the union's discretion, receive up to 9 credits of course release per year to be taken during the Fall, Winter, or Spring terms, in consultation with the appropriate division chair and dean. Release from more than a single course for Presidential duties shall not be taken in any single academic term. The Treasurer of WOUFT shall, at the union's discretion, receive up to one course release per year to be taken during the Fall term. WOUFT shall reimburse the university for the actual salary and incremental OPE for replacement faculty to teach any course from which WOUFT officers are released.

3. Overload:

- a. The University recognizes that to meet its obligations to students, it may sometimes request faculty members to teach a course load in excess of the 36 credit hour teaching load. However, to assure that these teaching overloads do not impinge upon or serve as a detriment to the regular duties of the faculty members, teaching overloads will be of a non-recurring nature and generally will not exceed the equivalent of one (1) four (4) credit course per academic year. Prior approval for overload teaching must be granted by both the Division Chair and the College Dean.
- b. Faculty members who have been given assigned time for administrative activities may not receive overload for teaching without prior approval by the College Dean and Provost.

4. Off-Campus Instruction:

Faculty teaching in-load courses in any off-campus program requiring three or more hours of round trip driving time will teach 9 course credit hours during the quarter in which the off-campus in-load course is taught. The faculty member will also be reimbursed for food and lodging at the prevailing OUS rates, as applicable, but not less than those rates in effect at the time of agreement.

5. Office Hours:

Full-time teaching faculty shall establish and maintain a minimum of five (5) scheduled office hours per week. Those members with less than full-time appointments shall establish minimum office hours in ratio to their part-time appointment. Those faculty members with course releases shall establish minimum office hours in ratio to the number of credits they teach during the term in which the course release is taken to the number of credits in a full-time teaching load.

Before the end of the first week of classes of each term, the faculty member shall provide the division administrative assistant a schedule of their office hours and copies of all course syllabi for inclusion in the division and college files. The current office schedule is to be posted outside the faculty member's office for student viewing.

6. Academic Advising:

Recognizing the importance of student advising and its place among the principal responsibilities of all faculty members, the Chair of each Division will assign advisees on an equitable basis to the all tenured and tenure-track members of the division and to non-tenure track members as specified in their individual contracts.

7. Individually Designed Courses:

The University recognizes the academic value of individually designed courses consistent with a student's academic program that furnish intellectual and practical experiences not available in a multi-student course.

- a. Independent Study/Specialized Individual Study is a course proposed and developed by the student in consultation with a tenured/tenure track faculty member from the department, the content of which is not available in regularly scheduled institutional offerings. Course descriptions must include material to be covered, specific assessments and products and a timeline for completion. The “Request to Offer” an individual study project, including the course description, shall be approved by the Division Chair and College Dean.
- b. Thesis is a research experience designed, conducted and written by an individual student under the guidance of a tenured/tenure track faculty advisor with an evaluation of the completed thesis by a tenured/tenure track faculty second reader. The thesis provides the student opportunities for advanced scholarly engagement and results in a formal written document for review and oral presentation of the research. The “Request to Offer” a thesis project, including the course description, shall be approved by the Division Chair and College Dean.
- c. Courses designated as Capstones or Senior Projects involve one or more students during their senior year in the design, conduct and writing of a project that requires integration and application of knowledge to an issue, question or problem. These courses are supervised by a tenured/tenure track faculty advisor with an evaluation of the completed product by a tenured/tenure track faculty member second reader. The “Request to Offer” a capstone or senior project, including the course description, shall be approved by the Division Chair and College Dean.

Student credit hours--arising from Individually Designed Courses that are not part of the scheduled and recognized faculty teaching load--shall qualify for credit banking for subsequent course release, according to the following conditions:

- (1) Excludes graduate faculty on 9-hour, per term, teaching load
- (2) Credit units accrued expire after 96 months
- (3) Tabulation of bankable units to be included in the Annual Faculty Report
- (4) Division offices maintain copies of independent enrollment forms; division chairs to indicate supervisory involvement as “full” (full bank credit awarded) or “low” (partial credit awarded)
- (5) Maximum of 1 course release within a two year period
- (6) Request for release made through division chair the spring preceding the academic year the release is to occur
- (7) Release to occur during fall, winter or spring terms, only
- (8) Release calculated as follows:

Internships and Practica

Release/Compensation Formula $24 SCH = 1 credit hour$

Field Studies and Undergraduate, Honors and Graduate Theses

Release/Compensation Formula $18 SCH = 1 credit hour$

By Arrangement and Independent Study

Release/Compensation Formula $12 SCH = 1 credit hour$

The “By Arrangement” or Directed Study designation is to be used only for a section of a “regular” course that a faculty member agrees to provide for an individual student to accommodate circumstances that prevent the student from enrolling in a “regularly” scheduled section of the course. Since the faculty member will have completed the design, preparation and elements of the course to be graded in order to offer the regularly scheduled section(s) of the course, no course release or overload credit will be awarded to the faculty member for a Directed Study course. Special circumstances may be appealed to the dean for credit banking.

B. Scholarship

The institution recognizes the value of continuous involvement in scholarly activity to effective instruction in the faculty member’s discipline. Each faculty member shall engage in scholarship activity consistent with the evaluation criteria in Article 8.

C. Service

Because service activities within the institution and in the community outside the institution benefit the individual faculty member, the institution and the community, each faculty member will participate in service activities consistent with the evaluation criteria in Article 8.

Section 5. Assignment of professional duties of librarians shall be in keeping with the needs of the organizational unit. Such assignments may include assignment to committees with time allotted within the normal work week for participation in such activities.

Section 6. Part-Time Faculty - non-tenure track. The University reserves the right to employ non-tenure track (part-time) faculty on the basis that 1.00 FTE equals fifteen (15) course credit hours (or equivalents).

A. The University shall extend multiple-term contracts to non-tenure track faculty who meet the following criteria:

- 1.** Have taught a minimum of .50 FTE at the University for each of three terms in the academic year immediately prior to the contract year under consideration;
- 2.** The Division Chair and College Dean have an expectation that the non-tenure track faculty member will be needed to teach at least .50 FTE for the upcoming contract year. Such expectation may be evidenced by the inclusion of the non-tenure track faculty member’s name in the final approved schedule of classes submitted by the Division Chair, approved by the College Dean and accepted by the Provost.

B. Notification of multiple-term contracts shall be made to the non-tenure track faculty member as soon as possible after a vacancy or need has been identified.

C. A multiple-term contract, which has been accepted by a non-tenure track faculty member, may be altered if:

1. Low enrollments, fiscal shortfalls, or changes in course offerings cause the Division Chair or Dean to determine that the non-tenure track faculty member will be needed for less FTE than included in the multiple-term contract or
2. Evaluation of the non-tenure track faculty member's performance, in accordance with Article 8: Evaluation, is found to be unsatisfactory or
3. The Division Chair or Dean recommends increasing the contract FTE to reflect additional course assignments, as agreed to by the non-tenure track faculty member.

Section 7. Training and compliance with University policies. Annually, the University offers certain programs and resources to ensure compliance with policies and procedures relating to the legal environment of higher education. It is expected that faculty members will update their knowledge to comply with University policies.

Section 8. Final Examinations. Faculty will schedule final examinations for courses during the final exam week; exceptions to be approved by the Division Chair and Dean. An examination is considered to be final if it counts for a greater percentage of the total course grade than any other scheduled examination or project or is the sole exam issued in a class. Faculty members may hold examinations during the last week of instruction if such examinations count for no greater percentage of the total course grade than any other scheduled examination or project. Faculty members who do not hold final examinations shall use the times scheduled for such examinations for activities that are reasonably related to pedagogical purposes in the affected course.

ARTICLE 8: Evaluation, Tenure and Promotion

Section 1. Purpose of evaluation. The purpose of performance evaluations shall be to encourage the improvement of individual professional performance and, subject to the provisions of Articles 11 (Retention of Non-tenured Employees), 8 (Evaluation, Tenure and Promotion), 16 (Salary), and 12 (Reserved Rights of the University), to provide a guide for decisions on salary adjustments, reappointment, tenure, and promotion.

As such, there are different evaluation procedures for faculty with non-tenure track appointments, faculty who are tenure track, and tenured faculty.

Performance evaluations shall be conducted according to the following schedule:

- A. Annually for non-tenure track faculty,
- B. Annually for tenure track faculty with five or fewer years continuous employment,
- C. When faculty members are seeking promotion or tenure,
- D. Every three years for Associate Professors (post tenure),
- E. Every five years for full Professors.

Section 2. Terms and Concepts. Many faculty members consistently demonstrate exceptional levels of performance in all three areas of teaching/librarianship, scholarship, and service. In any given year a faculty member may elect to concentrate their energies on one area more than another; however, as a whole, for the five-year period of time leading up to application for being considered for advancement in continuation, promotion and/or tenure, a cumulative rating of “Meets Expectations” is expected on all three areas of teaching/librarianship, scholarship and service as indicated on Appendix E. **A faculty member “meets expectations” when he/she gives the overall impression of an active, engaged academic as evidenced by achievement in all three areas.**

A. Teaching/Librarianship (for teaching faculty see 1, for library faculty see 2)

1. **“Teaching”** shall refer to the effectiveness of one’s teaching for purposes of tenure and/or promotion review as indicated by:
 - a. Peer and supervisor evaluations,
 - b. Examination of syllabi from a range of years for each class,
 - c. Exams and other assessment methods,
 - d. Teaching materials,
 - e. Data from a mutually agreed upon student course evaluation instrument (SCEI), provided by the University,
 - f. Reflections on evidence of effective advising, mentoring and support,
 - g. Reflections on evidence of impact of teaching on student learning,
 - h. Evidence of professional renewal and updating of skills and knowledge,
 - i. Personal teaching philosophy,
 - j. Examples of curriculum redesigns and refinements over time.

2. **“Librarianship”** shall refer to the effectiveness of one’s librarianship for purposes of tenure and/or promotion review as indicated by:

- a. Peer and supervisor evaluations in core areas of librarianship.
- b. Examination of programmatic documents and contributions to library products and services,
- c. Instructional materials,
- d. Data from student or faculty ratings of performance in core areas of librarianship,
- e. Reflections on evidence of impact of librarianship on student learning and academic success,
- f. Evidence of professional renewal and updating of skills and knowledge,
- g. Personal philosophy of librarianship,
- h. Examples of innovations and refinements in provision of library services and products over time.

B. Scholarship: In the spirit of Boyer’s *Scholarship Reconsidered* (1990), one’s “scholarship” may be manifested in one or more of the following venues:

1. Scholarship of discovery — investigative research and creative work of faculty in liberal, visual and performing arts
2. Scholarship of integration — scholarship connecting within and between disciplines
3. Scholarship of application — study of real world or societal problems
4. Scholarship of teaching — instructional and classroom research

Regardless of the type of scholarship, all faculty members’ work should be carefully assessed, with intellectual rigor and excellence the yardstick by which all four dimensions of scholarship are measured.

While scholarship can look quite different across candidates, it cannot be absent as it is the core of academic life. All faculty members should be knowledgeable of developments in their fields, remaining professionally active. All faculty members should be held to the highest standards of integrity in every aspect of their work. For purposes of tenure and promotion, it should be peer reviewed, sustained and measurable.

(a) The Scholarship of Discovery refers to **the search for new knowledge and answers the questions: “What is to be known? What is yet to be found?” Evidence for this type of scholarship make include** scholarly and creative activities that involve clear goals, preparation, appropriate methods, results, and presentation on the part of the faculty as indicated by: a published book, scholarly monograph, article, book review, or essay, performed work or practice in the fine arts; a paper presented at a scholarly meeting at regional, national or international levels; creation of a process, machine, composition that leads to a patent; creation of a scholarly, artistic or scientific procedure or method; state, regional, national, or international recognition as a scholar in an identified area; and positive peer evaluations of the body of work.

(b) The Scholarship of Integration refers to serious disciplined work that seeks to interpret, draw together and bring new insight to bear on original research including interdisciplinary connections. Evidence for such scholarship may include interpretation of original research; the authoring or coauthoring of peer-reviewed publications of research, policy analysis, case studies, and integrative reviews of the literature; interdisciplinary grant awards or presentations; policy papers designed to influence organizations and governments; first research at the boundaries where field converge; and the illumination of knowledge into a larger context including the education of non-specialists.

(c) The Scholarship of Application moves the scholar towards engagement answering the question - How can knowledge be responsibly applied to consequential problems? Evidence for such may include the application of one's academic expertise to problems affecting individuals, institutions, or society; peer-reviewed publications of research, case studies, or technical applications, grant awards in support of practice; state, regional, national, or international recognition as a master practitioner; and professional certifications, degrees, and other specialty credentials.

(d) The Scholarship of Teaching and Learning involves planning, assessing, and modifying one's teaching and applying to it the same exacting standards of evaluation that are used in research. Evidence for such scholarship may include peer-reviewed publications of research related to teaching methodology or learning outcomes; case studies related to teaching-learning; learning theory development; and development or testing of educational models or theories; accreditation or other comprehensive program reports; successful applications of technology to teaching and learning; state, regional, national, or international recognition as a master teacher; published textbooks or other learning aids; grant awards in support of teaching and learning; outcome studies or evaluation/assessment programs; and presentations related to teaching and learning.

C. "Service" for purposes of tenure and/or promotion shall refer to both Institutional Service (collegiality, service, and leadership within the department, college, and/or institution) and Professional Service (service and leadership within community, government, or private organizations as well as professional organizations).

Except for hiring of personnel, the granting of tenure and promotion are two of the most critical decisions that the University makes towards its continued academic integrity.

Although length of service may be an important factor, mere length of service is never a sufficient justification in itself for advancement to a higher rank.

The higher the rank sought, the greater the likelihood that the candidate will be expected to produce more evidence of exemplary and sustained teaching effectiveness.

Successful candidates for promotion to Full Professor continue their teaching, research, and service contributions at least at the level they had established when they were promoted to Associate Professor with tenure.

The scholarship of successful candidates for promotion to Full Professor has advanced to the point where they, in fact, receive notoriety in terms of their scholarship being recognized by others away from campus.

There are higher expectations regarding the quantity and quality of service expected of applicants applying for promotion to higher ranks such as Full Professor.

The awarding of tenure indicates that the faculty member has met the standards defined for teaching/librarianship, scholarship, and service and that she/he can expect to remain as a member of the faculty indefinitely.

Section 3. Non-Tenure Track Faculty Evaluation.

- A.** All non-tenure track faculty who are employed at .50 FTE or more will be evaluated pursuant to Part D below by the Division chairs with recommendations forwarded to the respective Dean and filed with the Provost's office.
- B.** As part of the initial job appointment, each non-tenure track faculty member will receive, upon request, a copy of the current Collective Bargaining Agreement from the Provost's Office which describes all necessary details regarding evaluation procedures and expectations. The Collective Bargaining Agreement is available via the WOU Provost's website.
- C.** The Division Chair shall be responsible for assisting each non-tenure track faculty members in answering questions regarding the expectations and procedures related to evaluation and help the faculty member avail themselves of resources available to help them acclimate to the University.
- D.** For non-tenure track faculty, the annual evaluation shall be based on:
- 1.** The most recent classroom observation conducted by the division chair or his/her designee pursuant to Part 3 below, and
 - 2.** An Annual Faculty Report compiled by the non-tenure track faculty member and due to the Division Chair no later than June 30th that includes the following components:
 - a.** Data from the mutually agreed upon student course evaluation instrument (SCEI), provided by the University, and
 - b.** A summary of accomplishments for the year that addresses the non-tenure track faculty's primary work assignments and future goals.
 - 3.** Classroom observation for non-tenure track faculty will be completed:
 - a.** Prior to the completion of contracts of one year or shorter duration,
 - b.** In the final year of their contracts for faculty members on multi-year contracts,
 - c.** Annually at the request of faculty members on multi-year contracts, in which case the division chair or his/her designee will complete the observation,
 - d.** As deemed necessary by the division chair.
- E.** The results of the Division Chair's evaluation for non-tenure track faculty members shall be considered in determining continued employment within the University.

Section 4. Evaluation of Tenure Track and Tenured Faculty. Evaluation procedures for tenure track and tenured faculty consider key elements that include but extend beyond those used for non-tenure track faculty.

A. As part of the initial job appointment, the tenure track faculty member will receive a copy of the current Collective Bargaining Agreement from the Provost's Office which shall include all necessary details regarding evaluation procedures and expectations.

B. The Division Chair shall be responsible for assisting each tenure track faculty member in answering questions regarding the expectations and procedures related to evaluation.

C. All tenure track faculty will complete an Annual Faculty Report due to the Division Chair no later than 30 June that includes a summary of accomplishments for the year and progress towards meeting previously stated goals and new goals for improvement.

D. Tenure track faculty will also submit their files for continuation, promotion, and tenure as specified elsewhere in Article 8. A copy of the DPRC recommendation will be provided to the faculty member by the DPRC at the same time it is submitted to the Dean.

E. Rebuttals. The faculty member shall have the opportunity to file a commentary or rebuttal to any part of the evaluation report. This response shall be a permanent part of the evaluation.

F. Evaluations which Indicate Need for Improvement. If an employee is given an evaluation which includes an indication that improvement is needed in any area(s), including collegiality, the employer shall provide the employee a written report containing explicit suggestions and guidelines for improvement. The Provost shall provide the relevant Personnel Review Committee with a copy of the report. The employee will be granted reasonable time, up to one academic year, for improvement. Subsequent review(s) delivered to the employee in writing shall focus on the employee's performance during the specified timeline. All parties involved in the reevaluation shall adhere to the guidelines and suggestions specified in the written report.

Section 5. Eligibility Timelines for Promotion and Tenure

A. Promotion to Associate Professor

1. Promotion to Associate Professor and the granting of tenure shall occur at the same time for those hired as Assistant Professor on a tenure line. Faculty members can apply for promotion to Associate Professor and tenure after four years of continuous service at WOU. The files are due and the review process takes place during the fifth year of service. If awarded, the promotion and tenure shall become effective at the beginning of the sixth year of full time service.

2. If stipulated in the initial hiring contract, a faculty member may be reviewed for promotion to Associate Professor and tenure after a combined minimum of four years of successful continuous service on a tenure track at WOU and another comparable institution.

If not stipulated in the initial hiring contract, a faculty member must indicate a desire to apply early by including external reviews and a statement outlining levels of distinctiveness in teaching/librarianship, scholarship, and service that warrant early

consideration for promotion in the Annual Faculty Report due to the respective Division Personnel Review Committee (DPRC), Dean and Chair no later than June 30.

If approved, the faculty member would be evaluated for promotion and tenure during the following year's evaluation process by the DPRC. Failure to achieve early promotion and tenure does not preclude a faculty member from being awarded promotion and tenure in the subsequent year following another review.

B. Tenure for Associate Professors

A faculty member who is initially hired as an Associate Professor shall be reviewed for tenure during the third year of full time, probationary service. In this case, the tenure award shall become effective at the beginning of the fourth year of full time service. If tenure is not awarded after three years of full time service, then a fourth year non-tenure track non-renewable contract shall be offered. The College Dean, at her/his discretion, may choose to recognize the fourth year as a final probationary period after which the faculty member shall be re-evaluated through one more annual evaluation process on teaching/librarianship, scholarship, and service. If tenure is not then awarded as a result of the evaluation process, there is no obligation for the University to offer an additional contract for the fifth year.

C. Promotion to Full Professor

A faculty member may apply for promotion to Full Professor during their fifth year of employment as an Associate Professor. If not stipulated in the initial hiring contract, the faculty member must indicate a desire to apply early by including external reviews and a statement outlining levels of distinctiveness in teaching/librarianship, scholarship, and service that warrant early consideration for promotion in the Annual Faculty Report due no later than June 30. If approved, the faculty member would be evaluated for promotion during the following year's evaluation process by the DPRC. Failure to achieve early promotion does not preclude a faculty member from being awarded promotion in the subsequent year following another review.

D. Tenure for Full Professors

If not stipulated in the initial hiring contract, a Full Professor shall apply for tenure review during the second year of continuous service on a tenure track with the tenure award becoming effective at the beginning of the third year of full time service. If tenure is not awarded at that time, then a third year non-tenure track non-renewable contract shall be offered. The College Dean, at her/his discretion, may choose to recognize the third year as a final probationary period after which the faculty member shall be re-evaluated through one more annual evaluation process. If tenure is not then awarded as a result of the evaluation process, there is no obligation for the University to offer an additional contract for the fourth year.

Section 6. Procedures for Promotion and all Tenure Decisions

A. It is the responsibility of the division chairs to identify, confirm, and notify the DPRC and College Dean by June 30 of all faculty members of the division eligible for and pursuing promotion and/or tenure.

B. Early in the fall term, the Provost will review the purpose and intent of evaluation at each stage, the roles and responsibilities of the Personnel Review Committees, the timelines and evaluation criteria and address questions on any of the University's faculty evaluation

policies with Academic deans, Division chairs, chairs and members of the various Personnel Review Committees, and representatives from the Union.

C. Candidates for promotion and all candidates seeking tenure will be responsible for preparing their files following approved University and Division procedures. Those files should be presented to the Division Chair by October 15 for second-year candidates and by the third Friday in November for all other candidates. DPRCs will submit reviews for second year candidates to the dean's office by the first Friday in November; the deans will submit second year candidate files to the provost by the first Friday in December. DPRC reviews for other than second year candidates will be submitted to the dean by the fourth Friday in January; the deans will submit these files to the provost by the third Friday of February.

D. Multiple Appointments. Faculty members with assignments in more than one Division are responsible for initiating files for review in all areas of assignment. All records relevant to consideration for promotion and/or tenure, including recommendations, will be sent to the faculty member's primary tenure home Division Personnel Review Committee, which will act in accordance with the provisions of this Article. The recommendation of the faculty member's primary division shall prevail.

E. DPRC Membership. Each Division shall have a Personnel Review Committee (DPRC) comprised of the Division Chair and a representative group of tenured faculty. The Division Chair shall serve as a voting and participating member of the DPRC.

F. DPRC Evaluation. The DPRC shall review the files as well as, all prior recommendations made by the University Personnel Review Committee (UPRC), Dean, Provost, and former DPRCs for each faculty member from that division seeking promotion to Associate Professor and tenure. They shall develop a letter for each member of faculty seeking promotion or tenure outlining the member's strengths in the areas of teaching/librarianship, scholarship, and service; explicit suggestions for areas needing improvement; and, progress made since prior reviews. The letter should conclude with a final recommendation to the respective College Dean in each case with reference to the appropriate supporting information provided in the faculty member's files.

G. Evaluation Conference. After the DPRC has reviewed the faculty member's files, the Division Chair together with the chair of the DPRC shall meet to conference with each faculty member to discuss the results of the evaluation. The Division Chair shall prepare a summary of the evaluation conference which shall be presented to the faculty member within ten (10) days of the conference and placed in the personnel files in the offices of the Division, Dean and the Provost. The faculty member shall sign the report to acknowledge receipt thereof.

H. The College Dean shall review the recommendations of the DPRC and develop a letter that outlines the faculty member's strengths in the areas of teaching/librarianship, scholarship, and service, explicit suggestions for issues needing improvement, progress made since prior reviews, and a recommendation. The faculty member will meet with the Dean to discuss the results of the evaluation. After meeting with the faculty member, the Dean will forward his/her recommendations to the Provost by the end of the second week in February.

I. If the DPRC and the Dean concur favorably in their recommendation about a faculty member, the file shall be forwarded to the Provost who will then forward it on to the President.

J. If a DPRC or College Dean recommends a faculty member unfavorably for tenure or promotion, the Provost shall notify the member about the recommendation(s) in writing by not later than the end of the first week in March. The Provost shall inform the member regarding:

1. The source(s) and specifics of the unfavorable recommendation(s);
2. The right of the member to request review from the UPRC.

K. In the case of a mixed recommendation from the DPRC, the College Dean, and/or the Provost, the faculty member may make a written request for a review to the Provost by the end of the third week in March. If the faculty member fails to make a request for a review by that date, the Provost will make an independent recommendation about the faculty member to the President.

L. If a faculty member receives unfavorable recommendations from both the DPRC and the College Dean, there shall be no review by the UPRC.

M. University Personnel Review Committee (UPRC) .

Formation. The University shall have a University Personnel Review Committee (UPRC) comprised of one tenured faculty member from each Division of both Colleges and from the Library and Media Services. Each Division will elect their representative to the UPRC. No Division Chair may serve on the UPRC, except in cases when a committee quorum is otherwise impossible. The UPRC may include members of a DPRC, but each Division is encouraged to elect representatives to the UPRC who are not members of that DPRC so as to minimize “dual” evaluations. To avoid conflicts of interest, no one who is under consideration for promotion shall serve on the UPRC. The election of these representatives shall be conducted after such time in the fall that the Division Chair has announced who is eligible to serve and at that time, the faculty members in the Division will vote in a secret ballot to select their representative by majority vote. The UPRC shall convene no later than the third week of April to review all requests brought to it by the Provost.

Deliberation. The UPRC shall consider all issues relating to the process and academic judgment while making any review. The evaluative documents that are submitted by a candidate seeking promotion or seeking tenure are considered a complete file once the Dean has finished his/her review and made a recommendation. The only additional items would be pertinent correspondence between the candidate, the DPRC, the Dean and the Provost concerning their decisions on the file that was submitted to the Provost. A UPRC may invite the candidate and the Dean to address the committee and answer questions. The faculty member shall have the right, upon request, to make an oral presentation to the UPRC at which time, the Dean shall also have the right to make an oral presentation. A Union representative shall be present at the hearing to assure that no procedural rules are violated. A member shall have the right to confer with a representative from the Union in the review by his/her UPRC. UPRC members who also served on a particular candidate’s DPRC will remove themselves from the committee but may be called upon for clarification on the expectations appropriate to the particular discipline or Division.

Outcome. The UPRC recommendation shall be forwarded to the President and shall also promptly be made available to the faculty member in question, and added to that member’s Personnel File.

N. The President shall review all recommendations forwarded to her/his office. If requested by the President, the Provost will make an independent recommendation to the President. Prior to making final determinations of promotion and tenure awards, the President may consult with individuals as necessary including the Provost, Deans, and individual members of the PRCs. Official University notification to each individual and the Chair of the UPRC, Provost, and Dean in regard to the action taken will occur by the end of the 1st week in May of each academic year.

Section 7. Post Tenure Reviews.

A. Tenured faculty members will be evaluated by the DPRC once every three years for associate professors and every five years for full professors, with recommendations made to the Dean, Provost and President. Such evaluations will be on a staggered basis across faculty within a Division determined at the beginning of each academic year.

B. The purposes of post-tenure review are to:

1. Assure continued excellence in the academy;
2. Offer appropriate feedback and professional development opportunities to tenured faculty;
3. Clearly link the level of remuneration to faculty members' performance;
4. Provide accountability to the institution, public, and Board (OAR 580-021-0140; -0135; -005 et seq.; IMD 4.002).

C. Tenured faculty members will submit the following to the respective Division Chair and DPRC by June 30:

1. Copies of the Annual Faculty Reports for the evaluation period;
2. Examples of teaching/librarianship, scholarship, and service that define their continued contributions to the profession;
3. Copies of the written summary of at least one observation of classroom teaching by the Division Chair or their designee;
4. An updated CV; and
5. Data from the mutually agreed upon student course evaluation instrument (SCEI), provided by the University.

D. The DPRC recommendation and the material provided under Article 8, Section 7, C.1-4 are forwarded to the College Dean for acceptance and review. Each Dean will provide written feedback to be shared with the faculty member and forward a summary along with the Annual Faculty Report to the Provost which will then become a part of the faculty member's permanent personnel records.

ARTICLE 9: ACADEMIC PERSONNEL FILES

Section 1. The University shall maintain official academic personnel and employment personnel files for the faculty. The academic personnel files will contain only records that are relevant to the educational and related programs of the University, its divisions or units. The employment personnel files will contain only employment information such as annual appointment letters and offers of employment.

Section 2. The official academic personnel records will be maintained on the Western Oregon University campus in the Office of the Provost, the Office of the Dean of the College, and in the Office of the Division Chair or Unit Director to which the faculty member is assigned. File custody, maintenance, and security shall be the responsibility of the Provost, Dean, and the Division Chair or Unit Director, respectively. Custody, maintenance, and security of the official employment personnel file shall be the responsibility of the Human Resources office.

Section 3. Access to the personnel records shall be controlled by the persons designated as responsible for file custody and security in section 2. Faculty members shall be allowed full access to their own personnel records.

Section 4. It is the responsibility of any person in charge of the academic personnel files to notify the faculty member of the insertion of any unfavorable material into the academic personnel file. The faculty member shall have the opportunity to rebut, refute, or explain any observation or material contained in the file. Entry of mandatory evaluation results into academic personnel records will be made in accordance with Article 8: Evaluation, Tenure, and Promotion.

Section 5. The University will not solicit nor accept information for inclusion in the academic personnel file from individuals or groups who wish their identity kept anonymous. The only exceptions are student course evaluations to be included in accordance with Article 8: Evaluation, Tenure, and Promotion.

ARTICLE 10: RESPONSIBILITIES OF THE MEMBERS & DISCIPLINARY PROCEDURES

Section 1. The obligations of the faculty members on an academic year contract shall begin in September and end in June nine months thereafter. Every day within the inclusive dates of the academic year contract is a regular day of employment except for those for which there is a legislative or employer authorization to be absent from University employment (viz., statutory holidays observed by the University, leave without pay, annual leave, sabbatical leave, sick leave, and the weekends when not assigned or required for performance of the regular employment obligation). Duties may include teaching and independent study; academic advising of students; provision for regularly scheduled office hours; scholarly activities; professionally-related public service; assisting in the admission, orientation and registration of students; being available as needed during pre-registration, registration and term breaks during the academic year; service on committees; student support service activities including attendance at commencement; course and curriculum planning; and other normal duties of University faculty members.

Non-teaching employees shall be assigned work in accordance with the positions for which they were hired. Their contract period may or may not coincide exactly with the academic year.

Section 2. A member may be subject to corrective discipline for failure to carry out the responsibilities and/or meet the obligations of a professional member of the Western Oregon University academic community.

Section 3. Counseling. Recognizing the importance of counseling in effective corrective discipline, the parties agree that counseling will take place before sanctions are imposed. Further, the parties agree that sanctions, when imposed, will progress from minor to severe for repeated failure to meet professional obligations. However, in some circumstances, actions or omissions, which have resulted or will result in irreparable harm to the academic community or members thereof, may require imposition of severe sanctions in the first instance.

Section 4. Disciplinary Sanctions. Sanctions shall be limited to written reprimand, suspension with pay, suspension without pay, denial of salary increase, temporary reduction of salary and discharge.

Section 5. Unexcused Absence. Although the effect of absence of teaching and/or research faculty members is difficult to measure, unauthorized or unjustified absence from class, research, counseling activities or other scheduled duties in excess of five (5) consecutive scheduled or regular work days is sufficient basis for withholding salary for the work days absent pending investigation and/or an acceptable explanation of the circumstances of the absence.

Section 6. If the University believes that there is just cause for the imposition of sanctions, the following procedures shall be followed.

A. In situations involving written reprimand, the document shall have a limited life of twelve (12) months after which it shall be removed from the file.

B. In situations involving sanctions more severe than a reprimand, a notice of intent to impose severe sanction shall be served personally upon the member or by registered or certified mail (return receipt requested) to the member's address of record. The notice shall contain a description of the alleged act(s) or omission(s), date(s), time(s), place(s) and proposed sanction. In addition, the notice must inform the individual of the right to file a

grievance at Step Two within fourteen (14) calendar days of the date the notice is received. The Union shall concurrently receive timely notice of intent to impose severe sanction on a member. Except in instances when irreparable harm may result from delay, severe sanctions will not be imposed until a member (a) fails to file a grievance within the time allowed above or (b) the grievance is decided in favor of the University.

C. If no other severe sanctions are administered within thirty (30) calendar months after severe sanctions are imposed, all references to the sanctions shall be removed from the personnel file folder at the end of that period.

D. The University shall conduct disciplinary sessions in an area away from other employees, students or the public.

ARTICLE 11: RETENTION OF NON-TENURED EMPLOYEES

Section 1. Faculty. Divisions shall annually evaluate non-tenured faculty members on the basis of divisional and institutional criteria, academic standards, appropriateness for assignments, collegiality, and the terms and conditions of Article 8. Evaluation, Tenure and Promotion. The Division Chair must provide a written record of an employee's poor performance, as specified in Article 8, before a non-renewal decision can be made. The Division Chair must give an employee at least (one) academic term, summers excluded, to correct any identified performance problems. If the record shows that the problem(s) continues, then a non-renewal decision is in order. Second year review candidates who are notified of intent to non-renew per description below and are not eligible for additional term(s) to correct identified problems, in this case their current contract year will be their terminal year. The Provost shall have the responsibility of notifying the employee that he/she will not be rehired for the next academic year.

If any appointment of a full-time academic staff member who is on an annual tenure appointment as defined is not to be renewed for reasons other than for cause or financial exigency, timely notice of non-renewal shall be given in writing as follows: during the first annual appointment, mailed on or by March 15 for those whose contracts expire June 15 or at least three months' notice given prior to expiration of the appointment; during the second year of service, mailed on or by December 15 for those whose contracts expire on June 15 or at least six months given before expiration of the appointment; in the third and subsequent years, at least twelve months' notice which may be given at any time. In the event that notice is given to faculty members who are in the first year of an annual tenure appointment after the prescribed deadline, they shall receive six months' notice of non-renewal. In the event that notice is given to faculty members who are in the second year of an annual tenure appointment after the prescribed deadline, they shall receive twelve months' notice of non-renewal. Concurrent written notice shall be provided to the Union.

Section 2. No appointment other than one which carries indefinite tenure shall create any right, interest, or expectancy in any further appointment beyond its specific term, except as provided in Article 15 (Layoff) and as needed to meet the requirements of timely notice, if any.

Section 3. Fixed-term appointments shall specify beginning and ending dates of employment, and continuing appointments are not to be anticipated.

Section 4. Non-tenure track faculty who have worked continuously for five academic years at a 0.5 FTE or above and who are recommended by the division chair and with the Dean's approval may be granted up to a three-year "letter of intent" for reappointment. The dean will provide a copy of the letter of intent to the relevant division chair. The reappointment is subject to the reserved rights of the university as noted in ARTICLE 12.

ARTICLE 12: RESERVED RIGHTS OF THE UNIVERSITY

The University retains and reserves to itself all rights, powers, authority and responsibilities vested in it, whether exercised or not, including but not limited to the right to plan, govern, and control the University and in all respects carry out its ordinary and customary functions of management. All such rights, powers, authority, and responsibilities are retained by the University subject only to those limitations expressly imposed by the Agreement. Without limiting the foregoing, the University expressly reserves the right to make final decisions with respect to members to be appointed, reappointed, promoted, and awarded indefinite tenure and those to be appointed as Division Chair and other administrators.

Only alleged violations of limitations on reserved rights contained in this Agreement shall be subject to Article 13 (Grievances).

ARTICLE 13: GRIEVANCES

Section 1. Purpose. The purpose of this Article is to promote a prompt and efficient procedure for the investigation and resolution of grievances. The parties encourage the informal resolution of grievances whenever possible and to that end encourage open communications between members and administrators so that resort to the formal grievance procedure will not normally be necessary. The procedures hereinafter set forth shall be the sole method for resolving grievances as that term is herein defined.

Section 2. Definitions.

A. The term "grievance" means an allegation that there has been a violation, misinterpretation, or improper application of the express terms of this written Agreement. The term "grievance" shall not include complaints related to matters of academic judgment, except as provided for in Article 8, Sections 3, 4 and 6; Article 12; and Article 14, Section 6.

B. "Grievant" means one or more members of the bargaining unit, the Union or the University in the appropriate cases, damaged or injured by the act or omission being grieved.

C. "Day" means a day when classes or examinations are scheduled in accordance with the official academic calendar of the University excluding Saturdays, Sundays and holidays.

D. "Academic judgment" shall mean the judgment of faculty and administrators concerning appointment, reappointment, promotion, tenure status and merit salary increases of members, and matters of curricula and educational policy.

Section 4. General Provisions.

A. A grievant has the right of self-representation at any step in the grievance procedure and/or may have a Union representative present at any step.

B. The Union has the right to be present at, and to participate in, any formal step in the grievance procedure, but shall not interfere with the right of self-representation. If the Union does not represent the grievant, the resolution of the grievance shall not be inconsistent with the terms of this Agreement.

C. The parties may agree, in writing, to modify the time limits in any step of the grievance procedure. At formal steps, agreement to modify time limits shall be in writing.

D. Failure at any step of this procedure to comply with the specified time limits including any extension thereof, shall be considered acceptance by the grievant of the decision rendered at the previous step. Failure to communicate the decision on the grievance at any step within the time limits, including any extensions thereof, shall allow the grievant to proceed to the next step.

E. No member may take a grievance to Step Four (Arbitration) except with the approval and participation of the Union.

F. All grievances, and arbitration notices must be submitted in writing on appropriate forms as attached to this Agreement as Appendices B and C respectively and shall be signed by the grievant. The University may refuse consideration of a grievance not filed in accordance with this Article.

G. A grievance may not be filed under this Article for an act or omission which occurred prior to the effective date of this Agreement.

H. A grievance may be withdrawn by a grievant at any time, or by the Union at any time after notice of intent to arbitrate has been given.

Section 5. Presentation of Grievances.

Formal Grievances. All grievances shall be presented at the proper step, in writing, within thirty (30) days of the act, omission, or commencement of the condition on which the grievance is based, or after the date on which the member knew or reasonably should have known of such act, omission, or condition if that date is later.

The grievance shall be presented on the grievance form (Appendix B) and shall set forth the following:

1. A description of the alleged event(s), situation(s), or act(s) in violation of the contract provisions;
2. The date thereof;
3. The specific provision of this Agreement which is in dispute; and
4. The remedy sought.

Grievances shall be filed first at Step 1, except if the matter being grieved relates to an act or omission by the Provost (or persons in positions at a similar level) or the President, the grievance may be filed at Step 2 or 3, but in the manner provided above.

Step 1. Provost. The grievance shall be filed in writing with the Provost. The Provost shall promptly identify the administrator with whom resolution of the grievance shall be sought. Fifteen (15) days shall be allowed for resolution of the grievance. Upon the grievant's written request, fifteen (15) day extensions of the time allowed for resolution at this level will be granted unless to do so would impede resolution of the grievance.

Step 2. President's Level. Within five (5) days of the expiration of the period allowed for resolution at the Provost's level, or within five (5) days of an unsatisfactory decision at the Provost's level if that date is earlier, the grievance may be filed with the President of the University. The President or designee shall meet with the grievant within five (5) days of receipt of the grievance for review and shall send a decision in writing to the grievant and the Union within ten (10) days of such meeting.

Step 3. Chancellor's Level. Within five (5) days of the expiration of the period for response by the President at Step 2, or within five (5) days of an unsatisfactory decision by the President, the grievance may be filed with the Chancellor's Office or with his/her designee for collective bargaining. The Chancellor or designee shall meet with the grievant within ten (10) days of receipt of the grievance and shall send a decision in writing to the grievant and the Union within ten (10) days of such meeting.

Step 4. If the grievance is not resolved, the complaining party may give to the other notice of intent to arbitrate within the time limits provided in Article 14: Arbitration.

Section 6. Nothing in this Article or Agreement is to be interpreted as denial of the right to grieve or seek arbitration of alleged failure to follow prescribed procedures in evaluation and in recommendations for promotion and merit salary increases.

ARTICLE 14: ARBITRATION

Section 1. Notice of intent to arbitrate an unresolved grievance (Appendix C) must be filed with the President of the University within twenty (20) days of the decision rendered under the provisions of Step Three.

Section 2. Within ten (10) days of receipt of notice of intent to arbitrate, the parties shall meet to attempt to agree upon an arbitrator. If the parties are unable to agree upon an arbitrator within five (5) days of the meeting, the party initiating arbitration shall request the Employment Relations Board to submit a list of five (5) arbitrators, none of whom shall be an employee of the Oregon University System unless both parties have agreed to the contrary. Each party shall alternately strike a total of two (2) names from the list of five (5); the remaining person shall be selected as the arbitrator. The party initiating arbitration shall strike the first name. If the arbitrator selected cannot hold the hearing or render a decision within the time limits provided herein and either party does not agree to an extension of time, the selection procedure as provided herein shall be repeated using the remaining names on the Arbitration Panel or a new list from the Employment Relations Board, as appropriate.

Section 3. Submission Agreement. As soon as practicable after the notice of intent to arbitrate has been filed, the parties shall meet to draft a submission agreement. They shall attempt to agree on the precise issue to be submitted to arbitration, stipulation of facts, joint exhibits, and any other matter designed to expedite the arbitration process.

If the parties are unable to agree on the precise issue to be submitted, each party shall submit its own version of the issue to be decided. The arbitrator shall then decide the precise issue to be arbitrated. Such decision shall be made prior to determining arbitrability.

Section 4. Conduct of the Hearing. The arbitrator shall hold the hearing in Monmouth, Oregon, unless otherwise agreed by the parties. The hearing shall commence within fifteen (15) days of the arbitrator's acceptance of the case, unless both parties agree to an extension of time.

If the arbitrator or either party requests that post-hearing briefs be submitted, the arbitrator shall establish a date for the submission of such briefs and the hearing will be deemed to have been closed by such date.

Section 5. Arbitrability. In any proceeding under this Article for which there is a submission agreement, the first matter to be decided is the arbitrator's jurisdiction to act. In the absence of a submission agreement, the arbitrator shall first decide the issue to be arbitrated as provided in Section 4 of this Article; then the arbitrator's jurisdiction shall be decided. If arbitrability is in dispute between the parties, the arbitrator shall hear the parties on the question before deciding the matter of arbitrability, which shall be announced. Upon concluding that the issue is arbitrable, the arbitrator shall normally proceed with the hearing at that time, provided that either party may seek judicial review of the arbitrator's decision as to jurisdiction and have the hearing on the merits delayed until such review is completed. Upon concluding that the arbitrator has no power to act, the arbitrator shall not hear the matter or make any decision or recommendation regarding the merits of the issue.

Section 6. Authority of the Arbitrator. The arbitrator shall neither add to, subtract from, modify nor alter the terms or provisions of this Agreement. Except as otherwise provided in this section, the arbitrator shall have no authority to hear or decide any issue or grievance related to matters involving "academic judgment" as defined in Section 3, Article 13 (Grievances). In cases involving the exercise of discretion, the arbitrator shall not substitute personal judgment for that of the faculty or the administrators. Nor shall the arbitrator review such decision except for the purpose of determining whether the procedural steps provided in this agreement have been followed. If the arbitrator determines that procedural steps have not been followed where an exercise of "academic judgment" or administrative discretion is involved, the arbitrator shall direct that the matter be reconsidered by the appropriate official in accordance with relevant procedural steps. In no case may the arbitrator direct that a member be reappointed, promoted, or awarded indefinite tenure. The arbitrator, however, may direct that the status quo ante be maintained until a judgment is made having properly followed appropriate procedural steps.

The arbitrator shall have no authority to award monetary damages or penalties, but may award back pay to accompany an order of reinstatement.

The arbitrator shall have no authority to make any decision limiting or interfering in any way with the powers, duties, and responsibilities of the University and the Board which have not been expressly limited by this Agreement.

Section 7. Arbitrator's Decision. The arbitrator derives authority wholly and exclusively from the express terms of this Agreement. The decision of the arbitrator shall be final and binding upon the parties as to the issues submitted, provided that either party may appeal the decision on the basis of repugnance to law, jurisdiction, or that the arbitrator exceeded authority granted by this Agreement.

The decision of the arbitrator shall be issued within thirty (30) calendar days of the close of the hearing unless the parties have agreed to additional time.

The decision of the arbitrator shall be in writing and shall set forth findings of fact, reasoning, and conclusions on the issue submitted and which shall include a clear statement as to the prevailing party.

Section 8. Costs. All fees and expenses of the arbitrator shall be borne by the party not prevailing in the arbitration. Where an award clearly finds each party culpable, costs will be shared equally.

Each party shall bear the cost of preparing and presenting its own case. Expenses of witnesses, if any, shall be borne by the party calling the witness. The cost of any transcripts required by the arbitrator shall be divided equally between the parties and each party shall be furnished a copy thereof. If either party wishes a transcript of the hearing, it may have one made at its own expense, but shall provide the arbitrator and the other party a copy at no charge.

ARTICLE 15: LAYOFF

Section 1. It is understood that in a viable and complex University offering an array of professional programs, it may be necessary to adjust staff and programs. Historically, these adjustments have been accomplished by attrition and by not renewing appointments in specific programs, units, or divisions. The provisions of this Article and accompanying procedures do not apply to this historical practice.

The modification of programs generated solely by changes in curricula or in the educational programs or mission of the University is accomplished through usual curricular mechanisms and the provisions of this Article likewise do not apply.

Section 2. Layoff will take place only after the University finds that one of the following bona fide conditions exists or is imminent:

- A. demonstrable financial exigency;
- B. program or discipline curtailment;
- C. retrenchment.

The magnitude of the layoff shall be commensurate with the condition necessitating such layoff (OAR 580-021-0315 et seq.).

Section 3. After a declaration is made that one of the conditions described in Section 2 exists or is imminent, the President will meet with two (2) members of the Union to discuss alternatives. Following the meeting the President shall present a plan to implement the conditions described in Section 2 to the Union. The plan will include proposed reductions to divisions and programs. The Union will have an opportunity to review and make comments on the President's plan and to suggest alternatives. The President will consider the suggested comments of the Union before preparation of the final plan. The President's final plan shall be given to affected divisions or units no later than one month prior to implementation. The Union shall be concurrently provided with a copy of the President's final plan.

Section 4. The factors to be considered in any layoff determination shall be considered sequentially. Should consideration of any factor in sequence result in identification of a candidate for layoff, the remaining factor(s) need not be considered.

The first factor to be used in determining which faculty members are to be laid off shall be the needs of the program or division, including the need to preserve various areas of academic specialization and the University will consider its affirmative action program and goals. Each Division faculty shall provide recommendations to the Chairperson concerning areas to be preserved in protecting the academic integrity of the programs offered by the division as they relate to the Division, College and

University. If the Chairperson does not agree with the division's faculty recommendations he/she shall meet with the Division faculty to discuss the recommendations.

The second factor shall be the kind of appointment: fixed term appointments shall be laid off before annual tenure and indefinite tenure appointments, annual tenure appointments shall be laid off before indefinite tenure appointments.

The third factor shall be seniority; when the needs of the Division or program can be met by two or more members whose qualifications are substantially equal and whose performance are substantially equal, as revealed by performance evaluations (Article 8, Evaluations), members with the fewest number of quarters of continuous service shall be laid off first. The number of quarters of service to the division or program shall be calculated as described in Section 5 below.

Section 5. Before the length of service to the Division, discipline, or program is determined, all faculty members who have transferred into a Division or program where a layoff is to occur will have time in their former division or program included in the calculation. When two members being considered for layoff have the same length of service, the individual first appointed to the Division or program shall have seniority. The date of appointment shall be taken as the date of the letter which first appointed the individual as a member of the Division or program. Upon request by the Union, the University agrees to provide the Union with a list containing the date of original appointment to the Division, discipline, or program.

Section 6. If a tenured faculty member is laid off under the provisions of this Article, the University will endeavor to find suitable alternative employment within the institution or, if such is not found, shall make reasonable efforts to assist the member in finding suitable employment elsewhere.

Section 7. If a position becomes vacant in the program or Division from which a member has been laid off and the position is to be filled, a member who is fully qualified to fill the vacant position shall be offered reemployment by certified mail. Offers of reinstatement shall be made in inverse order of layoff. The faculty member will have thirty (30) days from the date the offer is sent in which to accept the offer. If no acceptance is received in writing within the thirty (30) day period, the faculty member will be deemed to have declined the offer and the institution will thereafter have no further obligation to the member. It is the responsibility of the faculty member to keep the institution apprised of their current mailing address. When circumstances warrant, the University and the Union may agree to shorten or waive the thirty (30) day period required by this section.

Faculty members recalled from layoff will be credited with their original date of appointment, less the layoff period, for purposes of determining years of service, and will be reinstated with all rights and privileges accumulated prior to layoff unless such rights or privileges have been impaired by actions of the member while laid off.

Persons who have not been reemployed as of June 15 of the year following two full academic years after layoff shall be deemed to have been given timely notice and their employment will have been terminated as of that June 15 date.

Section 8. Members on layoff status will be treated as if on leave without pay for purposes of eligibility for enrolling at any institution of the Oregon University System at the staff fee.

Section 9. The University shall not use salary rates to differentiate among non-tenure track faculty for purposes of staffing.

ARTICLE 16: SALARY

Section 1. Retirement Plan Contributions.

A. Public Employees Retirement System Individual Account Program (IAP). For work performed on and after January 1, 2004, Western Oregon University shall pay on behalf of members of the Public Employees Retirement System (PERS) the statutorily required employee contribution to the Individual Account Program under ORS 238A.330 and pursuant to ORS 238A.335, or under ORS 238.215 if the member elected assistance under ORS 243.920.

1. The full amount of the members' required contributions paid by WOU to PERS on behalf of members shall be considered as "salary" within the meaning of ORS 238.005 (20) for the purpose of computing "final average salary" within the meaning of ORS 238.005 (8), but shall not be considered "salary" for the purposes of determining the amount of required employee contributions.

2. If the employee IAP account under ORS.238A.300 is declared invalid or is otherwise eliminated and a replacement is not available, then effective upon the date of its invalidation or elimination, a corresponding general salary increase of six percent (6%) shall be paid to participating employees, or its equivalent, pursuant to the relevant chapter of law for governing PERS employee contributions.

B. Optional Retirement Plan (ORP). For work performed on or after January 1, 2004, Western Oregon University shall pay on behalf of ORP participants the statutorily required employee contribution under ORS 243.800(8).

C. Employer Payment of Employee Contributions. If for any reason the six percent (6%) payment of the employee contribution by Western Oregon University described in A and B above is declared invalid or is otherwise eliminated, then effective on the date of its invalidation or elimination, a corresponding general salary increase of six percent (6%) shall be paid to eligible employees. In such case, employees' six percent (6%) contributions shall be deducted for payment to the applicable employee accounts and shall be treated as "pre-tax" contributions pursuant to Internal Revenue Code Section 414(h)(2).

D. Duplication of Remedy. In no case shall there be a six percent (6%) increase under both (1) and (2).

Section 2. Duration of Step Salary Schedule. The University and the WOUFT recognize that the agreements reached in this contract are not binding on the negotiating teams representing either party in future new contract negotiations. This means that a step salary schedule or any changes in step placements on the existing schedule will also be subject to future negotiations.

Section 3. New Hires. Newly hired members of the bargaining unit will receive compensation increases during their first full year of employment.

Section 4. Salary Step System. Faculty salaries in the bargaining unit will be assigned according to the following step system.

A. Annual Tenure track and Tenured Faculty. For annual tenure track and tenured faculty, there will be a 36-step salary step system beginning July 1, 2013 (Salary Schedule Part A), starting with the normal entry level salary for Assistant Professors, with increasing

steps at intervals of 2%. Twelve month faculty will be assigned annual salaries on the basis of their step value times the ratio 11 to 9.

1. For the current Bargaining Agreement, the normal entry-level salary for Assistant Professors will be step 1. For 12-month faculty, the entry level annual salary will be step 1 times the ratio 11 to 9. Prior service beyond the awarding of the doctorate or other terminal degree will be considered for salary adjustment purposes. One step per one year of service to a maximum of three steps will be granted. For purposes of salary level placement, those serving as division chairs shall receive one year credit on the salary schedule for each year served as chair.

2. Faculty members will be awarded 1 step per year of service in the salary system. Leave without pay will not be considered full-time service in figuring years of service. Sabbatical leave will be considered full-time service in figuring years of service.

3. Faculty who receive promotion from Assistant Professor to Associate Professor or from Associate Professor to Full Professor shall receive, in addition, four steps in the salary system.

4. Assistant Professors shall not receive general merit increases beyond the 28th step. Associate Professors shall not receive general merit increases beyond the 32nd step.

5. Market Place Step Advances (Business and Computer Science). The University offers degrees and programs in disciplines subject to national market pressures, which cause competitive faculty starting salaries to exceed the starting salaries of other disciplines. The disciplines subject to these national salary pressures at WOU presently are those contained in the Divisions of Business and Computer Sciences. Other Divisions may contain disciplines that, in the future, will be subject to national market pressures on faculty starting salaries. If this happens, the University will negotiate with the Union to include other Divisions in this agreement.

Therefore, in order to make competitive starting salaries of the disciplines in these designated units the University may make starting salary offers up to a maximum of ten steps beyond the first step in the salary schedule for the rank in question. The University will inform the Union of any and all market place step advances. Faculty subject to these advances will be placed on the nearest highest step in the salary schedule. Step advances made in accordance with this provision shall not be considered salary anomalies. The University may negotiate added steps beyond the ten agreed to here with the consent of the Union.

In addition, the University may provide continuing funding of up to \$60,000 for Division of Business faculty salaries, plus related other personnel expenses (OPE). This budgetary amount is to be used for the recruitment and retention of new tenure line faculty only. Such annual budgetary amount is available for each year of this contract. All new faculty members hired with these funds shall be placed on an existing step in the faculty step salary schedule and shall be in addition to the ten steps described in the preceding paragraph and the three steps provided in Section 4 (A)(1) of this Article. The University shall notify the Union of all hires and step placements made with these funds.

6. Salary Adjustments. Salary adjustments of annual tenure and tenured faculty salaries shall occur as follows:

July 1, 2013(12-month) September 16, 2013(9-month) October 1, 2013 (Deferred Pay Plan)	Annual step increase for eligible faculty on September 16, 2013 per the “September 16, 2013” salary schedule column.
April 1, 2014	Conversion to the “April 1, 2014” salary schedule column.
July 1, 2014 (12-month) September 16, 2014(9-month) October 1, 2014(Deferred Pay Plan)	Annual step increase for eligible faculty on September 16, 2014 per the “April 1, 2014” salary schedule column.
January 1, 2015	Conversion to the “January 1, 2015” salary schedule column.
May 1, 2015	Conversion to the “May 1, 2015” salary schedule column.

36	\$83,996	85,675	87,389	88,263

Notes to table above:

- Steps 35 and 36 have been added, at an increased value of 2%, each.
- Advancement or placement by any individual into step 35 requires that the individual be employed at the step 34 salary rate for a minimum of two years (\$80,734 level for two years to advance on September 16, 2013 and \$82,348 for one year and \$80,734 for one year to advance a step in year two). Advancement or placement by any individual into step 36 requires that the individual be employed at the step 35 salary rate for a minimum of two years.
- It is understood that no individual shall be advanced or placed on step 36 in the 2013/2015 biennium.

8. The University may grant the rank of Associate Professor to a newly hired faculty member if that faculty member has held the rank of Associate Professor at another institution of higher learning or is qualified to hold that rank under the terms of this contract. In order to prevent the creation of a salary anomaly or individual compression, the new faculty member shall be placed at step 10 on the Salary Schedule A during his/her first year of employment at WOU. Additional steps may be provided as detailed in sections (1.) and (5.) above.

B. Lecturers, Instructors, Non-tenure track Assistant Professors. For the non-tenure track faculty the following salary schedule will be used:

1. For the current Bargaining Agreement, eligible lecturers, instructors, and non-tenure track Assistant Professors will be assigned to the following minimum salary schedule according to the highest degree completed:

	September 2013
Bachelor's degree	\$24,643
Master's degree	\$32,849
Doctoral degree; Terminal degree	\$36,953

2. For the current Bargaining Agreement, eligible Lecturers, Instructors, and non-tenure track Assistant Professors, with at least one year of service to WOU, will receive increases of 4% for the academic year beginning September 16, 2013 and 3% for the academic year beginning September 16, 2014:

Section 5. Summer Sessions 2014 and 2015: The rate of pay for the 2014 and 2015 Summer Sessions will be 20% of the faculty member's current salary rate. The rate of pay for all faculty members will be based on nine (9) credit hours for full-time teaching.

Special Summer Compensation Rate.

If a summer session course is cancelled by a dean after June 1 of the respective year due to low enrollment, a faculty member, with their division chair's approval, may request in writing the "special summer compensation rate."

The "special summer compensation rate" shall be calculated as follows:

As of the first day of the course, multiply the number of students registered times the average in-state, undergraduate tuition rate for the course multiplied times two-thirds.

Guidelines for calculating the "special summer compensation rate" follows:

1. In no event shall the "special summer compensation rate" exceed the pro rata compensation rate determined by the 20% summer compensation formula described in this Section.
2. Non-tenure track faculty may be eligible for this special summer compensation rate providing he or she teaches at 0.5 FTE or above in the spring immediately preceding that summer and is also scheduled to teach at 0.5 FTE or above in the fall immediately following.
3. Once established and agreed to by the faculty member, the "special summer compensation rate" is not subject to adjustment, either upward or downward due to increased enrollment or decreased enrollment or for any other reason.
4. A minimum of 6 students must enroll to allow for special summer compensation rate consideration.
5. If a request is approved, the faculty member is committed to holding the class.

ARTICLE 17: HEALTH AND DENTAL INSURANCE

Section 1. Definition of Participants. The intent of this Article is to define participants who receive an Employer contribution toward the cost of insurance. For purposes of this Agreement, the following definitions apply:

(A) Employer Insurance Program. The definition of Employer insurance includes any insurance program authorized or sponsored by the Employer to provide insurance benefits for employees of the Oregon University System.

(B) Eligibility. Faculty who meet eligibility requirements of the Employer insurance program are considered to participate.

(C) Opt-Out. Employees who meet eligibility requirements of the Employer insurance program and elect to opt-out of medical coverage are considered to participate.

Section 2. Employer Contribution. For plan years January 1, 2013 to December 31, 2013 and January 1, 2014 to December 31, 2014, the Employer will contribute ninety-five percent (95%) of the premium costs of the coverage, and the eligible faculty member will contribute five percent (5%).

For plan year January 1, 2015 to December 31, 2015, the Employer will contribute ninety-five percent (95%) of the premium costs of the coverage, and the eligible faculty member will contribute five percent (5%). If for plan year January 1, 2015 through December 31, 2015 ninety-five percent (95%) of the statewide DAS/SEIU bargaining unit has an opportunity to choose between two (2) healthcare plans and full-time employees enroll in the least expensive PEBB health plan available to them, the Employer will contribute ninety-seven percent (97%) of the premium costs of the coverage and the employee will contribute three percent (3%).

Section 3. Administration. The Employer will make payment for eligible faculty member insurance directly to the appropriate insurance carriers and/or administrators.

Section 4. Proprietary Interest. The Employer ceases to have proprietary interest in its own contributions to the insurance plan when it pays such funds to the carrier or to persons who have irrevocable duty to transfer such payment to carriers and/or providers when due.

ARTICLE 18: OUTSIDE EMPLOYMENT

Section 1. A member shall engage only in that outside employment which does not substantially interfere with the full and faithful performance of all institutional obligations.

Section 2. A full-time member who proposes to engage in outside professional employment shall notify the Division Chair in advance and in writing concerning the nature and extent of the activity proposed. The University reserves the right to determine whether the proposed activity is directly competitive with any of its academic programs and if so determined, to disapprove the proposed activity. Private individual instruction and tutoring is not construed as competitive employment.

Section 3. Except for incidental use of one's office and telephone, a member engaging in any outside employment shall not use the offices, telephones, facilities, equipment, supplies, or other services of the University in connection with such outside employment.

ARTICLE 20: MISCELLANEOUS PROVISIONS

Section 1. The University agrees to provide an online copy of this Agreement within thirty (30) calendar days after the Agreement is signed and to provide a printed copy, at University expense, to any member, upon written request.

Section 2. Except as otherwise herein provided, the University agrees to continue its past practices with respect to leave without pay, insurance and other fringe benefits which are under the control of the University for the term of this Agreement.

Section 3. Family Medical Leave. The University will abide with current federal and state statutes concerning family medical leave.

Section 4. Bereavement Leave. Faculty members with accrued sick leave shall be eligible for sick leave or leave without pay at the option of the faculty member for any period of absence from employment to discharge the customary obligations arising from a death in the immediate family of the faculty member or the faculty member's spouse/domestic partner. For purposes of this Article, "immediate family" shall include spouse/domestic partner, parents, children, siblings and grandparents. Domestic partner is defined and certified by the PEBB Affidavit of Domestic Partnership.

ARTICLE 21: SABBATICAL

Members meeting the eligibility rules for sabbatical leave provided for in OAR 580-021-0205 as revised February 2, 1993 will be considered for sabbatical leave as follows:

A. A faculty member may be considered for sabbatical leave only after having been continuously employed in the Department of Higher Education at half-time or more for six academic or fiscal years at the rank of Instructor or above. A series of annual appointments shall be considered continuous whether or not interrupted by one or more authorized leaves of absence. However, an authorized leave of absence does not count as a year of service for purposes of the six-year requirement for sabbatical eligibility, nor does it prejudice the faculty member's right to consideration for sabbatical leave. Faculty members employed on academic-year appointments may be considered for a second sabbatical leave after thirteen (13) years of continuous service; for a third sabbatical after twenty (20) years of continuous service; and for a fourth sabbatical leave after twenty-seven (27) years of continuous service. Faculty members employed on 12-month appointments may be considered for a second or subsequent sabbatical (limited to four months) after four-and-one-half years of continuous service following return from the last sabbatical leave; or, in the alternative, may be considered for any one of the three types of sabbatical leave listed in OAR 580-021-0230 after the appropriate number of years of continuous service as designated above. Cases involving mixed terms of service, or other irregular conditions, may be adjusted by administrative officers in accordance with the principles set forth in this division.

B. Sabbatical leave privileges may be granted to faculty members in positions of responsibility and trust, even though those staff members do not hold academic rank. Recommendations for sabbatical leave for persons not otherwise qualified may be made in exceptional cases at the discretion of individual presidents.

C. For purposes of determining eligibility for sabbatical leave, time spent by a faculty member on an authorized military leave from a Division/institution shall be considered as institutional service, with the understanding that during the military leave the faculty member is considered to have the same academic rank held at the commencement of the leave.

D. Salary received by a faculty member during sabbatical leave will be a percentage (determined by OAR 580-021-0225 or 0230) of the faculty member's annual rate multiplied by the average FTE at which the faculty member was appointed during the eligibility years immediately preceding the sabbatical leave. For purposes of this rule, eligibility years are the years of continuous employment that result in the faculty member's eligibility for sabbatical leave.

E. Faculty members who are applying for two- or three-term sabbaticals will be allowed to divide their sabbaticals among two or three consecutive academic years subject to approval by the dean and provost.

G. At the end of the sabbatical leave, the faculty member shall submit a report of the accomplishments and benefits resulting from the leave, filing copies with the division chair, the dean and the provost (OAR 580-021-0215).

ARTICLE 22: FACULTY DEVELOPMENT

Section 1. The purpose of the Faculty Development Committee is to provide a peer review process for the allocation of funds for scholarly and creative faculty activities. Scholarly and creative activities are assigned duties/responsibilities of faculty members and are used as measures of faculty member's performance for awarding promotion and tenure (see Articles 7 and 8).

Section 2. The Committee shall consist of faculty representatives from all divisions. Divisions that have twenty members are entitled to two (2) representatives. Ex-officio members of the Committee will include the Provost and the Vice President for University Advancement or their designees.

Section 3. Each Division will elect at their first Fall Quarter divisional meeting a representative or representatives. Members of the Committee will serve three (3) year terms. One third of the Committee will be elected each year.

Section 4. The Faculty Development Committee Chair will be elected by the Committee from those members who are serving the second of a three-year term. Ex-officio members are not eligible for the position of Committee Chair.

Section 5. The responsibilities of the Committee include:

ARTICLE 23: SUMMER SESSION

Section 1. Definition. “Summer Session” is used to identify that portion of the annual academic program that may be offered between the first Monday following June commencement and September 15. The academic work offered during the Summer Session functions under the academic requirements specified within the official University bulletin (schedule of classes) and/or WOU website.

Section 2. Appointments. Appointment to the Summer Session will be made upon the recommendation of the division and college in consultation with academic deans and, and if applicable, the Director of the Division of Extended Programs, but all appointments are at the discretion of the President of the University. The University retains the right of appointment and assignment of load for faculty, and no faculty member employed during the academic year is assured employment in the Summer Session.

Section 3. Assignment of Duties. Assignments to Summer Session shall be based upon the needs of the summer session schedule and student course demands determined by the appropriate academic dean. The dean will consult with division chairs before making final assignments.

Section 4. Responsibilities of the Members and Disciplinary Procedures. The obligations of the faculty members on a summer session contract shall begin and end on agreed upon dates. Every day within the inclusive dates of the summer session contract is a regular day of employment except for those for which there is a legislative or employer authorization to be absent from University employment (viz., statutory holidays observed the University, leave without pay, annual leave, sabbatical leave, sick leave, and when not assigned or required for performance of the regular employment obligation).

Duties may include teaching and independent study; academic advising of students; provision for regularly scheduled office hours; assisting in the admission, orientation and registration of students; being available as needed during pre-registration, registration; service on academic year committees; and other normal duties of University faculty members. Summer session appointment notices are conditional on classes meeting minimum student enrollment requirements.

Section 5. Cancellation of Low Enrollment Summer Session Courses. The identification and cancellation of low enrollment courses will be discussed with affected faculty members and division chairs offering the course. Faculty of low enrollment courses will be asked to voluntarily cancel a course or provide rationale for continuation by a set date or, if applicable, make written request following the procedures outlined in Article 16: SALARY, Section 5 for the special summer compensation rate. The date will be established through consultation and examination of enrollment patterns of the previous two summer sessions, and current enrollment projections. The cancellation date will be set by the dean in consultation with the division chair. The final decision to cancel or continue a low enrollment course will be made by the dean. The Director of the Division of Extended Programs (DEP) will cancel low enrollment summer session courses sponsored by DEP after consulting with the affected faculty member, division chair, and the appropriate academic dean.

Section 6. Summer Session Finals Week. In summer session, inasmuch as finals week is a week of instruction, it will be the responsibility of members to administer final examinations in those courses for which such examinations are appropriate only during the times scheduled by the University for such purposes. Permission to administer the final examinations at another time may be granted by the Dean of the College, after request by the member made through the Division Chair, and upon the demonstration of educationally justifiable reasons therefore.

Section 7. Summer Session Format and Scheduling. The University retains the right, in consultation with faculty, to organize the format and duration of Summer Session sessions (e.g., one 8-week session, two 4-four week sessions, special alternative schedules, etc.). All faculty will be notified by the Division Chair and/or the Division of Extended Programs about possibilities for flexible scheduling. It is understood that in such cases, the total number of contact hours for each course will remain as originally set.

Section 8. Faculty Compensation for Summer Sessions 2014 and 2015: Refer to Article 16, Section 5.

ARTICLE 24: DISTANCE EDUCATION

Section 1. Definitions. The Parties recognize that advances in technology, as they relate to this collective bargaining agreement, may allow for the development of technologically innovative methods of instruction. The terms “Distance Education” or “Distance Learning” as used herein refer to instruction where the teacher and the student are separated geographically so that face-to-face communication is absent; communication is accomplished instead by one or more technological media. This communication consists of live or recorded visual presentations and material using direct signal or cable, transmission by telephone line, fiber optic line, digital and/or analog videotape, audiotape, CDROM, computer or internet technology, email or other electronic means, now known or hereafter developed, utilized to teach any course originating from or sponsored by WOU.

Section 2. Faculty Participation. Faculty participation in distance education shall be subject to mutual agreement between the University and the faculty member unless otherwise specified in the hiring agreement for the individual faculty member. Faculty hired with the expectation of teaching in online or through distance programs, as specified in their initial hiring agreement, will be evaluated according to teaching responsibilities for online courses. No member of the bargaining unit will arbitrarily have workload reduced, eliminated or consolidated to accommodate electronic technologies. The decision by a faculty member not to participate in distance education courses will not be used in an evaluative manner.

ARTICLE 25: SEVERABILITY

It is the expressed intent of the parties that if any provision of this Agreement or addendum thereto should be held invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any provision should be restrained by such tribunal, the parties shall meet within thirty (30) days to begin negotiations for mutually acceptable replacement language. The remaining provisions of this Agreement and addenda shall not be invalidated thereby. All provisions not held or declared to be invalid shall remain in full force and effect.

ARTICLE 26: TOTALITY OF AGREEMENT

The parties acknowledge that during the negotiations which resulted in this Agreement, the University and the Union had the unlimited right and opportunity, consistent with previously adopted ground rules, to present demands and proposals with respect to any and all matters lawfully subject to collective bargaining; that all understandings and agreements negotiated are set forth in this Agreement; and that this Agreement constitutes the entire and sole agreement between the parties for its duration.

Each party, for the lifetime of this Agreement, agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter, whether or not referred to or covered by this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of the parties at the time they negotiated or signed this Agreement.

Nothing in this Article precludes mutual agreement of the parties to alter, amend, supplement, or otherwise modify in writing any of the provisions of this Agreement.

ARTICLE 27: NEGOTIATION OF SUCCESSOR AGREEMENT

For the purpose of negotiating a successor agreement, either party may give written notice during the period of October 15-November 15, 2014 of its desire to negotiate a successor Agreement specifying those new subjects or sections of this Agreement it proposes to negotiate. Such negotiations shall commence with an exchange of written proposals by the parties no later than the first week in February 2015. Those sections of this Agreement not opened by said notices or by subsequent mutual agreement shall automatically become a part of any successor agreement.

ARTICLE 28: DURATION OF AGREEMENT

This Agreement shall become effective upon ratification by the parties as affirmed by the signatures herein below and expires June 30, 2015, except where specifically stated otherwise in the Agreement.

MEMORANDUM OF UNDERSTANDING

DONATED LEAVE BANK

A. PURPOSE

The purpose of this policy is to establish a Leave Bank that will provide financial assistance to a qualified member employee who has exhausted all paid leave time and is facing leave without pay of 5 days due to illness or injury. The Leave Bank will be established from contributions of sick leave by faculty who are covered by the Union's collective bargaining agreement and administered by the Human Resources Office with the recommendations of a faculty committee in accordance with the procedures set forth herein.

Definitions

1. Employee – A faculty member who is Union eligible and has been employed by the University for 1,039 hours and has a contract for a minimum of 9 months.
2. Family Members – An employee's mother, father, siblings, spouse, children, father-in-law and mother-in-law, and any other individual who is a legal dependent of the employee or for whom the employee has been named as legal guardian.
3. Qualifying Illness or Injury –
 - when an employee is unable to work due to a serious health condition and all of the employee's applicable accrued leave for which he/she is eligible has been exhausted, or
 - when an employee is unable to work because his/her presence is needed to care for a family member who has a serious health condition and all of the employee's applicable accrued leave for which he/she is eligible has been exhausted.
4. Serious Health Condition – Condition as defined by the Family Medical Leave Act (FMLA) and Oregon Family Leave Act. Such definitions are provided in Attachment A.

B. PROVISIONS

Eligibility for Membership – An employee is eligible to apply for membership in the Donated Leave Bank if the employee has been employed by the University for a minimum of six months (1,039 hours) and has a 9-month appointment. They must also be eligible for representation by the Union.

1. Application for Membership:

- a. Applications for membership will be accepted only (1) during the annual open enrollment period. (July 1 for 12 month appointments, September 16 for 9 month appointments yearly) or, (2) during the fifteen-day period immediately following the date an employee passes his/her initial probationary period. A full 8-hour sick leave donation is required regardless of the date the employee enters the program.
- b. Each member employee must donate a minimum of 8 hours of accrued sick leave annually from his or her accrued leave account. One hour of leave bank time equals one hour of benefit time, regardless of the rates of pay of donors and recipients.
- c. Employee must submit an *Application for Enrollment* form (Attachment B) to the Human Resources Office requesting membership and authorizing the deduction of sick leave.

- d. Continued membership is automatic and subsequent annual deductions of accrued leave time will occur immediately following the annual open enrollment period. To discontinue membership, the employee must forward a written notice to the Human Resources Office during the open enrollment period, requesting withdrawal from the program. Individuals withdrawing from the program will not be entitled to receive any refund of previously donated time nor will they be eligible for any benefit from this program until and unless they are accepted for membership in a subsequent open enrollment period.
- e. Only enrolled members may receive benefits. The Donated Leave Bank is in lieu of using the unearned sick leave bank set forth in OAR 580-021-0035 (5).
- f. A minimum participation of sixty (60) employees is required to establish and maintain the Donated Leave Bank program. Should initial participation, or subsequent enrollment, fall below sixty employee members, the Leave Bank may be terminated. Prior to termination, the University will meet and consult with the Union to discuss alternatives to termination.

2. Request for Benefits:

- a. An employee shall become eligible the day after his/her application for membership is received. An employee requesting benefits must exhaust all paid leave time before using any leave time from the Leave Bank.
- b. Requests for benefits are to be submitted by the employee on a *Request for Benefit* form (Attachment C) to the Human Resources Office. If the employee is physically unable to do so, the supervisor may submit the form on the employee's behalf.
- c. The following information must be submitted:
 - o Employee Name and Job Title
 - o The number of hours requested from the Leave Bank. Number of hours may not exceed 520 hours in a rolling 7-year period.
 - o A physician's certificate stating the nature of the illness or injury and the estimated date of return to duty , or, if the leave request is to care for a family member, a physician's certification regarding the family member's serious health condition. The certification form is available through the Office of Human Resources webpage or at <http://www.dol.gov/reg/compliance/whd/fmla/wh380.pdf>
- d. Unless the request is an emergency, it must be submitted two weeks prior to the date the employee requests the benefits to begin.

3. Benefits:

- a. Benefits will only be awarded for requests recommended by the Donated Leave Bank Advisory Committee and determined by the Director of Human Resources to be in compliance with this policy and for serious health conditions as defined under the Family and Medical Leave Act (FMLA) and Oregon Family Leave Act (OFLA). (This excludes leave for (1) the birth of a child or to care for a newborn of an employee or (2) the placement of a child with an employee in connection with the adoption or foster care of a child). Benefits will not be awarded for short-term illnesses e.g., colds, flu, viruses or worker's compensation.
- b. Following approval of the request, benefits will begin when all paid leave accruals and short-term disability (if applicable) have been exhausted. This includes sick leave, vacation (if applicable), holiday time, and administrative leave (if applicable).
- c. An employee requesting benefits for their own illness or injury shall be entitled to a maximum of 480 hours or the number of hours necessary to satisfy his/her

waiting period for Long Term Disability benefits (if applicable), whichever is less.

- o In the case of an employee requesting benefits for the care of an immediate family member, benefits shall not exceed 480 hours or the time necessary to give the employee twelve (12) weeks leave, whichever is less.
 - o In no case will hours be granted from this Leave Bank which will provide paid leave time beyond twelve weeks within a “rolling” 12-month period.
 - o Benefits may be awarded for a maximum of 520 hours within a “rolling” 7-year period.
- d.** The recommendation of the Donated Leave Bank Advisory Committee and the decision of the Director of Human Resources to approve or deny a request for benefits is final and shall not be subject to any administrative or court challenge. Upon request, the Director will meet with the employee and/or his/her designated representative to discuss the committee’s recommendation and his/her decision to deny benefits under the policy.
- e.** The recipient employee is responsible for all tax liabilities that occur as a result of receiving this benefit.
- f.** Upon approval of a request for benefits, the Human Resources Office will credit the recipient employee’s sick leave accrual account the number of hours approved.
- g.** Should an employee recover and return to duty prior to exhausting all Donated Leave Bank hours credited, the unused hours shall be returned to the Donated Leave Bank.
- h.** Employees utilizing benefits from this Donated Leave Bank shall cease accrual of all other leave benefits, i.e., sick leave, vacation and holidays. Upon return to full duty, the employee will be credited with the amount of applicable sick leave, vacation and administrative leave accrual, which they should have earned during the period, that they were receiving benefit from the Bank.

4. . Human Resources Office Responsibility

- a.** The Human Resources Office will maintain all records relating to the Leave Bank. These records may include, but are not limited to: membership roster, leave balances, usage reports, etc.
- b.** The Human Resources Office will maintain the Leave Bank balance in total hours. The balance will be equal to the number of hours donated, minus the total hours used.
- c.** The Human Resources Office will solicit donations when the Leave Bank balance is less than 480 hours and there is an approved request for benefit. To keep his or her membership current, each member must donate the minimum amount of leave time determined as necessary to maintain the Leave Bank.
- d.** The Human Resources Office shall meet with the employee Unions/associations semi-annually to submit reports indicating the number of hours in the bank, the number of active participants and, bank benefits utilization to date by year. These reports will be available the 15th of any month. A copy of the report is to be provided to the President and vice presidents.

C. DONATED LEAVE BANK ADVISORY COMMITTEE

The Donated Leave Bank Advisory Committee will have a membership of one Union eligible faculty member from each academic division (Business and Economics, Computer Science,

Creative Arts, Humanities, Health and Physical Education, Natural Sciences and Mathematics, Psychology, Social Sciences, Special Education, and Teacher Education), Athletics and the Hamersly Library. The Director of Human Resources will be ex-officio. The Committee will review all requests for use and make recommendations regarding each request.

D. LEAVE BANK REFUND

Leave hours contributed to the Leave Bank will not be refunded to the employee unless the Leave Bank is discontinued. At that time the hours will be returned to current members only, in prorated shares. If an employee separates from employment with WOU for any reason, the employee automatically loses all time they have placed in the Leave Bank, even if the plan is discontinued. Donated hours will not be returned in cases where a member applies for Leave Bank benefits and is denied.

E. LEAVE BANK TERMINATION

Prior to any decision regarding termination of this Leave Bank, the Human Resources Director will meet and consult with the Union to discuss alternatives to termination. The decision whether to terminate the Leave Bank shall be at the sole discretion of the President. This decision is not subject to challenge or appeal. Should the decision to terminate the plan be made, the Human Resources Office shall have the responsibility to terminate the plan pursuant to the provision of this policy.
