### About Western Oregon University:

Western Oregon University is a regional public, mid-sized university – committed to changing lives, strengthening communities and transforming our world. Located in Monmouth, the heart of Oregon’s lush Willamette Valley, WOU is about 20 minutes from Salem, the state’s capital and about 75 minutes from Portland, the state’s cultural hub.

Western is one of Oregon’s oldest public institutions of higher education and was incorporated into the state system as a teacher training institution in 1882. The university offers undergraduate and graduate degrees in arts and sciences, education and professional areas. It’s known for small class sizes, a focus on sustainability and a diverse liberal arts education in a student-centered environment. Western is an emerging Hispanic Serving institution, with 37% of undergraduates being students of color.

### Position Summary:

The General Maintenance Mechanic position will focus on building maintenance/repair, residential turnovers and preventative maintenance. The maintenance worker performs skilled journey level work in the fabrication, maintenance and repair of machinery and operating equipment and systems, and performs related work as required. The work is usually performed independently and without the direct guidance of a skilled tradesperson.
