About Western Oregon University:

Western Oregon University is a regional public, mid-sized university – committed to changing lives, strengthening communities and transforming our world. Located in Monmouth, the heart of Oregon’s lush Willamette Valley, WOU is about 20 minutes from Salem, the state’s capital and about 75 minutes from Portland, the state’s cultural hub.

Western is one of Oregon’s oldest public institutions of higher education and was incorporated into the state system as a teacher training institution in 1882. The university offers undergraduate and graduate degrees in arts and sciences, education and professional areas. It’s known for small class sizes, a focus on sustainability and a diverse liberal arts education in a student-centered environment. Western is an emerging Hispanic Serving institution, with 37% of undergraduates being students of color.

Position Summary:

The Systems Integrator position is responsible for campus integrations. Our IAM, SSO and 3rd party integrations need to be modernized, standardized, automated and secure. This position will collaborate with other IT staff, campus users and 3rd party vendors to ensure system integrations efficiently meet the needs of campus.

This position is located in the Western Oregon University Computing Solutions Office. The University Computing Solutions Department is responsible for programming and technical support for the institution. The office has 22 employees, excluding students and temporary hires. This position is physically housed with the Programming Team.
