## Memorandum

To: Incidental Fee Committee

From: Darin E. Silbernagel  
University Treasurer

Subject: 2020 Summer Session Revenue Projection

This memo is to give a projection for summer session 2020 incidental fee revenues. The calculation of the revenue for the term is based on the formula of the head count times the rate of \$167.00.

Incidental Fee Projection Summer Session 2020		
<u>Head Count</u>	<u>Rate</u>	<u>Amount</u>
700	\$167.00	\$116,900
Interest Revenue		<u>600</u>
Total Projected Summer 2020 Revenue		<u>\$117,500</u>

Last year (Summer 2018) we had a head count of 584, in 2017 651, in 2016 we had 792, in 2015 we had 914, in 2014 we had 947, in 2013 we had 940, 2012 we had 1,059 in 2011 we had 1,241 in 2010 we had 1,156, in 2009 we had 1,143, in 2008 we had 1179, in 2007 we had 1,229, in 2006 we had 1,232, in 2005 we had 1,205, in 2004 we had 1,248 in 2003 we had 1,299, in 2002 we had 1,352, in 2001 we had 1,253, in 2000 we had 1,169, in 1999 we had 1,180, in 1998 we had 1,178, and in 1997 we had 1,162. The projection is consistent with past results at this time.

The assumption I made is that the fee would stay the same as this coming summer at \$167. For every one dollar the fee is adjusted up or down, it would have an impact of \$700 on the total.
