

Study Abroad and International Exchanges Getting Started with Study Abroad

Completing a General Advising session is the first step to getting started with Study Abroad.

You can complete a General Advising session online at: <https://www.youtube.com/watch?v=IIXe0ft5yjA> or attend a class presentation. The general advising session covers the following topics:

- How the application process works
- Eligibility requirements
- Academic and financial planning
- Application process and timeline
- Choosing study abroad courses that will work in your academic plan

Once you have completed a general advising session. Visit our Office, Maaske Hall first floor or email us at studyabroad@wou.edu to schedule an one on one appointment with an advisor.

Prior to the advising session, please review your degree evaluation, using WolfWeb, and make notes of the courses you still need to complete at WOU.

Answer the questions below and bring this completed questionnaire to your one on one appointment with an advisor.
