

Only the spouse and unmarried minor children (under the age of 21) of an F-1 or J-1 student are eligible to enter the U.S. in dependent status (F-2 or J-2). Each dependent must receive their own Form I-20 or DS-2019 if they wish to obtain a dependent visa. The information below is required before the OIED can issue documents for your dependents. Please use the fill-in features of Adobe Acrobat to complete the form or, if necessary, print very clearly when completing this by hand. Please visit the OIED web site (<https://wou.edu/international/>) for more information on applying for a dependent visa and on immigration benefits granted to dependents.
