

Opportunity to serve on AB in Liberal Studies Advisory Board

In spring 2018, a number of faculty and staff indicated interest in supporting the AB in Liberal Studies by serving on its Advisory Board.

Adapted from the degree proposal:

An Advisory Board of faculty representing diverse disciplines guides the AB in LS program and is responsible for program governance including:

- encouraging and reviewing course proposals
- establishing and assessing learning outcomes
- adapting the curriculum in response to assessment

In doing this work, the advisory board will have administrative support so that the work they do best draws on their expertise as *faculty from diverse disciplines*.

To start, academic advising can be managed by academic program staff in Salem (Associate Provost for Program Development). Faculty with an interest in advising AB in LS students are also welcome.

The inaugural advisory board will be drawn from the faculty committee that developed this program, and other faculty interested in supporting interdisciplinary degree completion efforts.

ACTION STEP: *If you would like to learn more about this academic program and the role of the Advisory Board, please complete the short survey at: <http://www.wou.edu/provost/wou-in-salem/>. The link is at the top of the page. We expect to constitute this group in January 2019.*
