

SALEM TEACHING OPPORTUNITIES

Opportunities to teach General Education courses

As you know, the General Education Committee is in the process of building course offerings for WOU's new General Education program. Beginning in 2019-20, we aim to offer a path through General Education in Salem. In effect, in 2019-20, that means we seek:

- Two first-year seminars, one focused on Writing and the other on Quantitative Literacy
- WR 121 and WR 122
- MTH 105 or MTH 243
- One Critical Thinking course
- One Communication course
- One Health Promotion course
- Two Exploring Knowledge: Literary & Aesthetic Perspectives
- Two Exploring Knowledge: Social, Historical and Civic Perspectives

The Salem site does not have science lab facilities, so students will be advised to pursue dual enrollment with Chemeketa Community College to complete Saturday lab science courses or to take a lab science course in Monmouth if their schedules accommodate this.

We will offer integrating knowledge courses in Salem beginning in 2020-21.

ACTION STEP: *If you are interested in teaching General Education courses in Salem, please complete the short survey at: <http://www.wou.edu/provost/wou-in-salem/>. The link is at the top of the page. We will contact you, your division chair and your dean to follow up.*

More information: Email Sue Monahan (smonahan@wou.edu) or Hilary Holman-Kidd (holmanhk@wou.edu) or visit www.wou.edu/provost/wou-in-salem
