4 **ARTICLE 14: ARBITRATION**

5 **Section 1.** Notice of intent to arbitrate an unresolved grievance (Appendix C) must be filed with the  
6 President of the University within twenty (20) days of the decision rendered under the provisions of Step  
7 Three.  
8

9 **Section 2.** Within ten (10) days of receipt of notice of intent to arbitrate, the parties shall meet to attempt to  
10 agree upon an arbitrator. If the parties are unable to agree upon an arbitrator within five (5) days of the  
11 meeting, the party initiating arbitration shall request the Employment Relations Board to submit a list of five  
12 (5) arbitrators, none of whom shall be an employee of the (former) Oregon University System unless both  
13 parties have agreed to the contrary. Each party shall alternately strike a total of two (2) names from the list  
14 of five (5); the remaining person shall be selected as the arbitrator. The parties shall strike the first name on  
15 an alternating, case-to-case basis. If the arbitrator selected cannot hold the hearing or render a decision  
16 within the time limits provided herein and either party does not agree to an extension of time, the selection  
17 procedure as provided herein shall be repeated using the remaining names on the Arbitration Panel or a new  
18 list from the Employment Relations Board, as appropriate.  
19

20 **Section 3. Submission Agreement.** As soon as practicable after the notice of intent to arbitrate has been  
21 filed, the parties shall meet to draft a joint submission agreement, which shall include a statement of the  
22 issue presented. The parties shall attempt to agree on the precise issue to be submitted to arbitration,  
23 stipulation of facts, joint exhibits, and any other matter designed to expedite the arbitration process.  
24

25 If the parties are unable to agree on a joint submission agreement, , each party shall submit its own version  
26 by an agreed upon date. If the parties do not agree as to the issue presented, the arbitrator shall first decide  
27 the precise issue to be arbitrated. Such decision shall be made prior to determining arbitrability.  
28

29 **Section 4. Conduct of the Hearing.** The arbitrator shall hold the hearing in Monmouth, Oregon, unless  
30 otherwise agreed by the parties. When possible according to the selected arbitrator's schedule the hearing  
31 shall commence within fifteen days of the arbitrator's acceptance of the case, unless both parties agree to an  
32 extension of time.  
33

34 If the arbitrator or either party requests that post-hearing briefs be submitted, the arbitrator shall establish a  
35 date for the submission of such briefs and the hearing will be deemed to have been closed by such date.  
36

38 decided by the artbitrator is their jurisdiction to act. If arbitrability is in dispute, the arbitrator shall hear  
39 argument on the question before deciding the matter of arbitrability. Following argument by both parties,  
40 the arbitrator shall announce their decision as to the issue of arbitrability. Upon concluding that the issue is  
41 arbitrable, the arbitrator shall normally proceed with the hearing at that time, provided that either party may  
42 seek judicial review of the arbitrator's decision as to jurisdiction and have the hearing on the merits delayed  
43 until such review is completed. Upon concluding that the arbitrator has no power to act, the arbitrator shall  
44 not hear the matter or make any decision or recommendation regarding the merits of the issue.  
45

46 **Section 6. Authority of the Arbitrator.** The arbitrator shall neither add to, subtract from, modify nor alter

49 as defined in Section 2, Article 13 (Grievances). In cases involving the exercise of discretion, the arbitrator  
50 shall not substitute personal judgment for that of the faculty or the administrators. Nor shall the arbitrator  
51 review such decision except for the purpose of determining whether the procedural steps provided in this  
52 agreement have been followed. If the arbitrator determines that procedural steps have not been followed  
53 where an exercise of "academic judgment" or administrative discretion is involved, the arbitrator shall direct  
54 that the matter be reconsidered by the appropriate official in accordance with relevant procedural steps. In  
55 no case may the arbitrator direct that a member be reappointed, promoted, or awarded indefinite tenure.  
56 The arbitrator, however, may direct that the status quo ante be maintained until a judgment is made having  
57 properly followed appropriate procedural steps.

58

63 powers, duties, and responsibilities of the University and the Board which have not been expressly limited  
64 by this Agreement.

65  
66 **Section 7. Arbitrator's Decision.** The arbitrator derives authority wholly and exclusively from the express  
67 terms of this Agreement. The decision of the arbitrator shall be final and binding upon the parties as to the  
68 issues submitted, provided that either party may appeal the decision on the basis of repugnance to law,  
69 jurisdiction, or that the arbitrator exceeded authority granted by this Agreement.

70  
71 The decision of the arbitrator shall be issued within thirty (30) calendar days of the close of the hearing  
72 unless the parties have agreed to additional time.

73

78 arbitration. Where an award clearly finds each party culpable, costs will be shared equally. Each party shall  
79 bear the cost of preparing and presenting its own case. Expenses of witnesses, if any, shall be borne by the  
80 party calling the witness. The cost of any transcripts required by the arbitrator shall be divided equally  
81 between the parties and each party shall be furnished a copy thereof. If either party wishes a transcript of  
82 the hearing, it may have one made at its own expense, but shall provide the arbitrator and the other party a  
83 copy at no charge.
