

5 Simple Steps to Apply for your Undergraduate Degree:

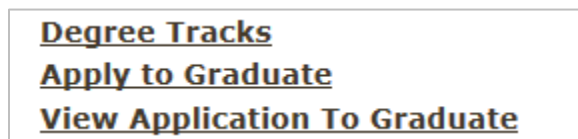

1. Login to Portal and open Wolf Web

2. Select the Student Menu and then Student Records

3. Select the Apply to Graduate option

4. Select the most recent term from the drop down box
5. The system will walk you through the remaining steps
 - a. **Completing two majors?** Submit one application. Make sure both majors are listed, if they are not before submitting your application to graduate you need to declare the missing major using the change of major process.
 - b. **Completing two degrees?** You will need to submit two separate applications, one for each degree.

P.S. You can login to Wolf Web and view existing applications at any time.
