

**Members present:** Mitch Martin, KJ Smith , Hailey Bain , Camden Kennedy , Kale Heth , Karissa Witt, Lizzie Warriner, Sam Combs, Kailey Jackson , Jessa Donaldson, Zoey Boyaner.

Call to order at 6:18

- Karissa moves to approve agenda
- Seconded by KJ

Agenda approved

Approval of last meetings minutes

4 approved

**Seth and Karen time**

- Introductions : position, hall, pronouns, Favorite party theme

Kailey: Officer updates

Kailey: had one on one with Karen and seth

Camden: Attended meeting last thursday. Confirmed meeting with accounting department that is tomorrow 10/18

Kale: Attended hall gov meeting last thursday

Karissa: Attended hall gov meeting

Hailey Bain: Attended hall gov meeting, safe hall committee meeting and NHH

Sam: Submitted minutes

Ellie: Kaiana and I are putting on a program on October 25th called money doesn't grow on trees. This program helps students learn what they should be spending their money on.

- Budget tips.
- Bring in counseling center to help.
- Tailored to our halls but is open to everyone.
- Fruit platter, pizza, yogurt, granola.

Our budgets are limited, you guys should help us. We would really appreciate it.

Karissa: How much money are you thinking?

Ellie: 70 in total. 25 to little caesars. Some is coming out of my funds

Karissa: Do you both have funds? What is she spending her money on?

Ellie: Not sure

Camden: Is there a set date?

Ellie: Not yet

Mitch: Will you be needing more money for this program in the future?

Hailey: What kind of advice are you giving the residents

Ellie: Using interactive m and m's . Getting budget and trying to disperse m and ms

Camden: Do you need assistance from us?

Ellie: No

Kailey: How many people will have gluten free problems?

Ellie: Don't know it will depend on Kaiana

Mitch: How many people do you expect to attend?

Ellie: we are hoping a lot

**Mitch moves to allocate 25 dollars to little caesars**

**Senconded by Karissa**

**Vote passed by 8 none abstained**

**Mitch moves to allocate 45 dollars to ross**

**Seconded by KJ**

Kailey: do they need 45 dollars?

Camden: they are already buying a lot do they need the yogurt for lactose intolerant

KJ: the yogurt would come with the fruit platters

Mitch: point of info. If it all one object then im curious that with the buffer room it is very reasonable

Zoey: The yogurt is option for gluten free people who can't eat pizza and vegans can eat fruit

Mitch: Point of info. What zoey said about needing food for everybody. We should be willing to put in money for everybody

Karissa: How many people are dietary restrictions?

Kailey: Only 15 people showed up total to ours

Hailey: Point of info, I know for sure at least 3 people can't eat pizza

Zoey: Well your hall probably didn't publicize it because none of us had heard about it. I think Ellie's event will be more highly publicized

Karlissa: I wish we knew how big the fruit platters were

Karen: Ross has expensive fruit platters

**All in favor: 8, passed**

### **Next presentation**

Lilly: Trivia fantastica , 4 per term event , next week on 27th, free pizza cookies and lemonade. Prizes and raffle for anyone in attendance. Trivia benefits people cause

- good catered pizza.
- People get into it.
- Something to do on friday night.
- Build community.
- Teams get good at winning .
- 
- After two weeks will be throwback themed.
- Success rate so far.
- Ran out of Tables last week.
- Asking for 50 dollars for prizes.
- Catering costs around 800 dollars so have buffer there.
- Spent 120 dollars on prizes for last 2 weeks.
- Haven't had money to do raffle yet that's why we are asking for more funding so people won't walk away with nothing even if they don't win.
- Raffle prizes
- Prizes
- 50 dollars will go a long way. More sustainable things
- Will carry over to next term

Rowan: This is a university wide event?

Lilly: Yes

Mitch: Also getting \$ from WOUC?

Lilly: Last night got money from ackerman and we want funding form all halls.

Lizzie: What is fred meyer. Why not go to dollar store

Lilly: We tight with fred meyer and it is a vendor.

Karen: Just how checking system works with money

Lilly: Me in my department can't buy prizes we need other people

**Karissa Moves to allocate 50 dollars to fred meyers**

**KJ seconds**

## **No discussion**

Mitch: they are getting lots of people. Ackerman funded them

Kale: I had lots of fun. We should fund them

Karissa: Also it is rolling over

Kailey: She was very professional

Seth: Point of order, you can give them things they have to do if they want your money. Good way to get name out. Could say prizes sponsored by heritage Hall government.

Mitch: should we send a rep?

Zoey: Would be better if they just did it

Sam: I have question . We should give more to be better than ackerman

Rowan: we have limited resources and they don't need more money than what they're asking

Mitch: we aren't getting benefit

Karissa: Don't know exactly how much money we have

Camden: How can we use money to enrich specifically heritage hall lives

Kailey: We have to do events to that we need money for

## **8 - 0 it is approved**

Treasury report

### **We have allocated 120 dollars tonight**

Glad I could be of service to hall government

Kailey: We don't have HOTY update.

Hailey: Heritage is at 16. Don't get points of attendance to programs.

Karissa: Do hall reps count?

Seth: Hall reps count

Kailey: Let's move onto safe hall discussion and committee update

Hailey: Both had good ideas. Printed out ideas on paper. Look at it. Levels of each floor . top floor most difficult.

Zoey: Each floor you get little candy and once you get to top you get full sized candy. Not too much money though

Hailey: lobby would have games. Game room has pool tables and we shouldn't use them but right out is big open space. Could do cornhole. Bingo in study rooms. Cake walk but no cake. Rice krispy treats? Obstacle course. Decorations for dorms

Karissa: thought we could only use lobby

Karen: Just can't use halls. How are you gonna get people up to fourth floor? As long as you've organized well. Budget can handle cake stuff . Be strategic.

Hailey: other ideas because better more than little. Will need lots of funds

Zoey: Pumpkin throw. Pin the tail on werewolf. Donut on string. Limbo.

Hailey: Basing things on freshman bar.

Karissa: Would be assigned people to each level? I won't be there.

Hailey: Aren't we required to stay for safe halls?

Karen: Highly encouraged

Lizzie: is this on halloween night? Won't people be partying

Sam: Partying will probably be done over weekend

Zoey: I'm not afraid to ask for volunteers

Karen: Point of info, this event is for young children of community. Parents. Lots of people come. Community outreach program

Hailey: I came here every year for trick or treating

Karen: We should do shifts

Mitch: point of info, are we gonna agree on all these ideas

Karissa: A Lot to get to fourth floor is too much. Maybe two levels

Mitch: point of info. If we have entire community of monmouth coming then we should have 4 floors . not enough room

Karen: space can hold lots

Zoey: do we have max capacity

Karen: 50- 60 people should get rotated. Eventually is about echoing of noise

Mitch: plus it will be parents and kids

Seth: Point of order, Now that we have basis , we could break off into separate committees.

Advertisement , money , events, first floor lobby committee etc. you can be on multiple committees . This is kickstarter event.

Karen: We should know by end of day how many floors and how many activities

Mitch: how many activities per floor during freshman bar?

Hailey: 2 per floor

Hailey: some events don't take up much space

Mitch: what if we had one hall dedicated to toss games

Hailey: You mean floors?

Mitch: yes . each level could be different set of mini things

Zoey: Kind of what we were going for

Hailey: First floor is easy things, fun stuff.

Mitch: how would we do obstacle course?

Zoey: decorate ballroom

Mitch: does anyone have other activity ideas

Lizzie: we use to do this at highschool. We should make mini haunted house. Kids go through and have skeleton somewhere and put on scary music.

Zoey: do we have fog machine and stuff?

Seth: you would have to get it

Karen: someone else might have already bought it. Don't think RSC has it

Zoey: renting popcorn machine . putting stuff on it

Hailey: are we allowed to serve unprepared food? Or does it have to be purchased?

Camden: This is still for halloween stuff?

Rowan: Shouldn't we get popcorn machine now cause there is only one

Karissa: let's do that right now

Karen: lets see if you get the popcorn machine first

**WE GOT THE POPCORN MACHINE**

Kailey: Let's vote on floors 2, 3 or 4

**3 votes for 2, 6 for 3 floors**

Karen: point of info would have to be in lobby . can't be in pool table room

Kailey: is official we do 3 floors

Kale: can always change

Kailey: do you guys want to set up for committees.

Seth: let's do advertisement and activities

Kylie: let's decide what floors we want

Karissa: Will disability be problem to get up to 4th floor

Everyone: no. did it for freshman bar

Kaylie: have we decided on using 4th floor.

Everyone : yes

Kaylie: let's move on to activities

**Zoey and Mitch = advertisement**

**Hailey = activities**

**Lizzie = budgeting**

Seth: at least 3 should be in a committee

Zoey: should we recruit other people in halls?

Karen: at least 3 in this room so we know committed . more getting done in these meetings

**Karissa motions to table**

**KJ seconds**

**9 passes , 1 says no**

Kailey: introducing hall government discussions. How are we going to introduce ourselves.

Seth: I think we wanted to appoint Mitch to this

Kailey: do this a lot through social media

Mitch: through video? Or post?

Karissa: Put bio and stuff on wall . or on social media

Mitch: sounds like great idea

Karen: point of order: make sure Seth has passwords and tell us if you create accounts

Karissa: should hall reps have passwords?

Kaylie: all passwords should go to Miitch.

Rowan: all should be approved before posted

KJ: I think mitch should have all passwords

Zoey: Hall reps come and go with these personal posts

Mitch: I wanna oversee them. I think everyone can have access to snapchat . should not randomly post with things not to have to do with hall gov. As for people who only want to come for one

Karissa: if hall reps stay for a month they can get featured

Kylie: Should we agree that everyone can get snapchat pass and other passwords should go to mitch and seth approves post.

**Approved**

Kaylie: should we do committee for the board

**Karissa is committee chair**

Karissa: Just want to put picture and random fun questions

Kaylie : does anyone have something else to add?

Mitch: should we do fb page or group

Zoey: also thinking about doing twitter because of polls and everything

Mitch will make email for heritage hall gov

**Advisor time**

Seth: pick time to clean out hall gov closet. Will be here this weekend. 12 - 2 on saturday will you be here? lots of halloween decorations

Zoey: how many closets are there

Seth: 1

Kaylie: for sure saturday 12- 2 , whoever can come

Seth: yes

Mitch: do you guys know when building was built

Karen: 1989

Seth: don't disrespect funds

Kailey: i know i won't be able to make it. Is that okay?

Seth: as long as you familiarize yourself with the closet. Not automatically locking door

Karen: i will be reaching out after safe halls to see how your term is doing don't get nervous.

Before end of term . based on what times look like

Seth: try to message me sometimes about ability to meet one on one. Contact by end of week

Kaylie: any event updates?

**Karissa moves to adjourn**

**KJ seconds**

**Meeting adjourned at 8:04**
