Josh: List of ideas; balloon trails for kids to follow, incorporate games that involve going to all three halls, mystery to solve for small prize. Reach out to local businesses to see if they want to come sponsor and have booths etc. That would also help with funding. Look into past years talk to last years hall gov, look at google drive.

In Past (Katelin):

Landers: Does haunted house

Barnum: Trick or treat

Heritage: Carnival

Ackerman: Movie snacks games

Alison: Face painting is fun, we need a timeline it would be good if we could decide an activity we want to figure out by next week.

(Katelin): right now make a timeline of when you want a solidified idea.

keep in mind we only have 2 more Mondays before safe halls.

Emily: split a dance between a kids dance and an 18+ dance

You need a bouncer for the dance. Maybe for a kids dance too.

Josh: Combine with other halls in order to be efficient about splitting dances. Activity: throwing pumpkins at things. trick or treating. Pumpkin painting. Let's think of some better ideas and vote next meeting. I am going to reach out to local business this week to see what kind of involvement they may want to contribute.

Maya has a list of people/vendors we can use to buy things here at WOU.

Alison: how many people usually come to this event.
