## 6) Pro/Delta: NRHM

a) Week 1 of Programming: Gold Rush
i) Jeremy - We advertised Gold Rush really well and for the whole month, which helped.
b) Week 2 of Advocacy: Advocacy Boxes
i) Carter - It sounds like there was a lot of feedback, which is good.
ii) Natalie - Some people took it as a joke, but for the most part there were a lot of thoughtful responses.
iii) Rachel - Overall it was a good idea, it's just hard to get people to fill out surveys. Maybe next time an online survey would work better.
iv) Gus- It was nice to get feedback from Landers/Barnum, because I feel like we don't usually get a lot from those communities.
v) Rachel - No one from Arbor filled one out.
vi) Natalie - I could see how it's hard for Arbor residents to relate to the questions for the general residence hall, maybe next time we can work with the RD to make questions better for Arbor residents.
c) Week 3 of Recognition: Recognition forms
i) D-Dre - It went quick and worked well!
ii) Kaiana - People asked questions and realized NRHH was doing stuff.
iii) Gus - A lot of people appreciated it.
iv) Rachel - Communication with the RDs wasn't so great because some wanted to work with us and others didn't, but next time we'll plan better.
d) Week 4 of Service: Canned Food Drive
i) Rachel - The winner was Heritage! With not that many cans. But Green Team noticed and matched our cans and are adding 80 cans too. Participation wasn't super great, and I wish we did more advertisements. We could've also included hall governments.
ii) Natalie - NRHH did great and planned well with everything, and I think participation doesn't reflect too much on NRHH, especially because Green Team said they were going to take care of it.
iii) Gus - I think NRHH held up the bargain, but maybe next time we set a limit for the amount of cans to win a pizza party.
e) Jeremy - I think this is the most successful NRHM we've had on campus that I've seen.
f) Gus - I think it set us in the right direction, and shoutout to Rachel for heading it.
g) Rachel - Shoutout to Natalie for supporting me on everything. In the future, more support from the committee would be great.

## 7) Budget Update

a) Allocated $\$ 10$
b) Total $\$ 2180.66$

## 8) Funds Request

a) RBC
i) Brandon - We're coming back again to ask for more money, because the cost from San Francisco was a little more than we thought. We're asking for \$200 so that we're not paying as much out of pocket.
ii) Gus - Seeing that we have the money in our budget, and that you three are college students and don't have the money, I think it would be a good use of all of our funds.
iii) Rachel moves to allocate \$200 to the RBC.
iv) Morgan seconds.
v) Approve: 7
vi) Oppose: o
vii) Abstain: o
b) Escape Room
i) Brandon - I got the map for the Escape Room and was a little more than we asked for. I'm asking for $\$ 5$ to cover the costs.
ii) Carter moves to allocate $\$ 5$ to Print Shop.
iii) D-Dre seconds.
iv) Approve: 7
v) Oppose: o
vi) Abstain: o

## 9) New Business

a) Next Term Meeting Time
i) Fridays at 4:30 pm.
b) Idea Brainstorm for programs next term

Service: Grove tabling for something, excursion, trash clean up, dogs on campus, Ackerman Earth Day co-program, Food Bank volunteer/assistance, swap shop with clothes and donate

Recognition: VCR Tabling, OTM Party: The Remix (like the Oscars, but cooler), OTM Wall of Fame, April 25th recognizing Barb, Ann, Lori, and Jodi

Social: fort-building with hall governments, hide-and-seek in the library, Timbers viewing party, yoga in the grove

Co programming with SAB, Hall Govs, Weekend Programs, Professors
c) Chapter Swag
i) Brandon - The Exec Board has been looking on 4imprint.com for swag, specifically tumblers, pens, popsockets, and more. Currently there is a line item of \$500 for swag, but we wanted to bring this to the chapter to see everyone's opinion on it. Swag could be for prizes and the following year.
ii) Kaiana - Sounds like a good idea.
iii) Jeremy - I know we have pens and that's about it. We might have cups hidden around. We could give swag to OTM winners.
iv) Natalie - I guess we're wondering what kinds of swag items we want?
v) Rachel - I think we should stay within the \$500 mark, and we want to know what people would want. What would you all want?
vi) Kaiana - A pen, a cup, a lanyard.
vii) Jeremy - Maybe water bottles or drawstring backpacks.
viii) Carter - Cups are good. Berkeley gave us a swag pack and they had shirts, a gatorade bottle, durable cups. They have 79 cent cups on 4 imprint. Swag items should be useful.
ix) Brandon-200 cups are \$130. Do you all want Exec to come up with more prices?
x) Kaiana - Yes!
