

RRCD Sign Language Assessment (RSLA)  
Sign Language Proficiency Interview in American Sign Language  
SLPI: ASL

**PERMISSION TO USE RSLA SLPI:ASL VIDEOS  
FOR TRAINING, DEMONSTRATION, AND RESEARCH**

Dear Candidate:

In order to help ensure we are able to provide quality SLPI:ASL services, in-service training is provided for the RRCD Sign Language Assessment SLPI:ASL team members, and training is sometimes necessary to add additional SLPI:ASL team members. In addition, persons who may/will be taking the SLPI:ASL often request the opportunity to see examples of signers who achieve each of the SLPI:ASL rating levels.

Given the above, we wish to request your permission to use your SLPI:ASL Interview video to assist us in conducting SLPI:ASL training, demonstration, and/or research.

If you are willing to give us permission, please sign below and return this form to RSLA SLPI:ASL Coordinator.

My signature below signifies my granting permission to RRCD Sign Language Assessment at WOU to use my SLPI:ASL video for training, demonstration and/or research purposes.
