These safety measures were created with the health and wellbeing of our students, artists, event employees and volunteers, production staff, audience, and the community in mind. If the level of community transmission changes, these requirements may be lifted or altered. Due to the often-changing public health environment, all rules and guidelines are subject to change. You can play a part in decreasing COVID-19 transmission levels in our community; wear a mask, get vaccinated, and stay safe.

SFAS Exchange/Refund Policy

If you are unwilling or unable to meet the requirements above, or cannot attend for some other reason, tickets can be exchanged into a performance later in the season if done so at least 48 hours in advance of the show; there are no refunds if a performance takes place. Should a performance need to be canceled, ticket proceeds will be refunded or donated back to SFAS based on ticket holder preference; if no preference has been communicated within 90 days, ticket proceeds will default to a charitable contribution. To request an exchange prior to a performance or to express preference after a performance has been canceled, contact the SFAS box office at 503-838-8333.
