

The Western Community is warmly invited to the following event:

SOCIAL SCIENCE SYMPOSIUM SERIES

Thursday, February 17th
12:00 noon
Western Oregon University
Health and Wellness Center 203

Charles Busch, founder of *Fields of Peace*, will give a talk on his organization's work. "Our Vision is a world in which conflicts are solved peacefully," he says, "our Mission is to stop the killing of children in wars." Friends of *Fields of Peace* take the following pledge, called "A Promise to Our Children":

I will not be a part of the killing
of any child
no matter how lofty the reason.
Not my neighbor's child. Not my child.
Not the enemy's child.
Not by bomb. Not by bullet.
Not by looking the other way.
I will be the power that is peace.

This event is in conjunction with the course PS 442: Peacebuilding and Policymaking, and a discussion with Charles Busch will follow the talk. All are welcome, so please join us for this in-person event.
