Unfinished Business

- N/A

Announcements

- Public Comments - Anything for the good of the order?

Adjourn

Requests:

“As we move forward with other significant budget decisions that will likely impact staff (particularly unrepresented staff) with layoffs and salary reductions I was wondering if Staff Senate had any plans for surveying or meeting with members for their concerns and feedback. The administrative town halls have been led solely by Academic Affairs, and I know that staff in the other divisions would like a place to voice their concerns as it has become apparent that we will not receive a town hall specific to student services.”
