Please select one of the following:

- Academic Advisor (please see additional instructions below) Faculty/Staff

The National Student Exchange (NSE) provides students with the opportunity to attend another member university within the United States, its territories, and Canada for up to one year. Students participate in NSE to take advantage of the unique academic, geographic, and cultural characteristics of institutions and/or regions.

In making decisions on the appropriateness of a student's participation in NSE study away, I need to know about their motivation, adaptability, academic skills, and those personal qualities that will give students the ability to benefit fully from the study away experience. While I appreciate any observations that will assist me in evaluating this student, of special interest are qualities such as competence, independence, assertiveness, resourcefulness, quality of performance, confidence, social skills, open-mindedness, and integrity.

Please indicate the basis and extent of your acquaintance with the applicant. Placing your remarks in a comparative perspective will further assist me, in advocating for a study away placement.

Please return this form to the student applicant OR to my office (campus mail or email) by the application deadline.

FOR ACADEMIC ADVISOR

Occasionally, an academic advisor has not had enough contact with a student to do an adequate personal evaluation.

However, in that situation I would like a statement regarding your willingness to work with the student to determine where courses taken at the host campus will fit into the student's WOU Degree Track and academic program. I would also like to know the appropriateness of study away at this time in the student's program of study. I am particularly concerned that the student's academic progress will not be hindered by participating in NSE.

Those statements can be entered in section 4 on the reverse side of this form.
