Reader Boards (DMP’s)/LED Monitors

Reader Boards (DMP’s)/LED monitors are located across campus. Each building or facility that has these monitors determines the best content for that particular facility. WOU organizations or groups interested in promoting events or activities on these monitors must submit posters in a JPEG or PDF format to Student Affairs, studentaffairs@wou.edu, for approval. Once approved, copies are sent to the university Web Designer (campus wide) and Student Engagement (within the Werner University Center) for digital posting.

Revised 5.10.2022
CAMPUS POSTING GUIDELINES
Campus Activity Bulletin Boards

POLICY SUMMARY:
All posting materials must be approved no later than five (5) days prior to the date of the event or activity by authorized personnel (e.g., Student Affairs). All posting materials must contain all of the following information: name of the sponsoring WOU organization or department, what the event or activity is, where and when the event will be held, how much is charged for admission (if applicable), and the disability accommodations statement. Also, the postings must include a contact info (e.g., name, telephone number, email). Postings should be free of errors.

The student election policies are cumulative to this policy in determining posting procedures for student election materials. If a procedure is unclear, this policy shall take precedence.

The Office of the Vice President for Student Affairs reserves the right to refuse authorization to any sponsoring organization or individual not following this policy.

Signs/posters may only be posted on campus activity bulletin boards, sandwich boards, lawn signs, designated banner spaces, and easels. State law prohibits postings on doors (exception is building operation hours notices). Signs/posters are prohibited on any painted, wooden, or brick surface and on the bus shelters. Postings are also prohibited on vehicle windshields in all campus parking lots (Parking Services and Campus Public Safety are exempt from this restriction).

Organizations or departments that post signs/posters in unauthorized places or that do not meet this policy may be subject to charges for removal or repair costs (OAR 574-050-0005).

PROCEDURES SUMMARY:
All posting materials used for advertising events, activities, organizations, or meetings must be approved in the form of a stamp from the Office of the Vice President for Student Affairs. Any posting materials not properly approved or improperly posted will be removed.

There are 33 bulletin boards available throughout the WOU Monmouth campus designated for campus activity postings. There is 1 bulletin board available in the WOU Salem campus.

Signs/posters cannot be larger than 17” x 22”.

Use only push pins or thumbtacks (no staples) on the bulletin boards. Each board should have extra pins. Do not post over the top of other signs/posters – be considerate.

Non-WOU sponsored advertising or events are limited to one (1) sign/poster at the Werner University Center Community Board (first floor, adjacent to the Pacific Room) and (1) sign/poster posted in the Library on the “Open” board. This is due to limited bulletin board space and the need to focus on campus-oriented activities.

Postings are allowed for a maximum two-week time period. Re-approval for a second two-week posting period may be requested for multiple-event signs; to receive re-approval, the signs/posters must be brought back to Student Affairs to be stamped again. The Office of the Vice President for Student Affairs has the authority to approve exceptions to the two-week posting period. All organizations/individuals are responsible for distributing the signs/posters and removal within 72 hours of the event. Building managers may remove expired posters.
