The Oregon Institute of Technology (“Oregon Tech”) issued a Request for Proposals (RFP) #2021-10 EDA Grant Capital Equipment, EDA Award Number: 07-01-07446 on December 22, 2021. This notice shall serve as written notification that the university has determined it is in its best interest to cancel RFP #2021-10 EDA Grant Capital Equipment, EDA Award Number: 07-01-07446.

Oregon Tech is currently reassessing the original scope of work and intends to reissue its request as separate solicitations in order to procure more targeted equipment. We respectfully request that you check the Oregon Public Universities Business and Bid Opportunities webpage (<https://www2.wou.edu/nora/orpu.bid.home>) for the modified RFPs in early February 2022.

Oregon Tech very much appreciates the time and understands the work firms have completed in preparing a response for the above-mentioned RFP. We sincerely apologize for any inconvenience this cancellation may cause and hope to receive proposals from your firm in response to future RFPs pertaining to this project.

Thank you for your interest in doing business with Oregon Tech. Please feel free to contact me with any questions.

Kind Regards,
