September 11, 2023

Note that these are questions submitted by interested firms to this solicitation. The below answers are for clarification purposes only and in no way alter or amend the RFP as published.

1. **QUESTION:** In reviewing the RFP for the camera project 2023-08, we do not see any pay scale tables or requirements listed in the solicitation. Does this project not fall under certified payroll requirements, or is this information missing in the RFP?

ANSWER: Prevailing Wage Rates requirements apply to this Project because the maximum compensation for all Owner-contracted Work is more than \$50,000. Contractor and all subcontractors shall comply with the provisions of ORS 279C.800 through 279C.870, relative to Prevailing Wage Rates and the required public works bond, as outlined in Sections C.1, C.2 and G.2.3 of the Oregon Tech General Conditions. The Bureau of Labor and Industries (BOLI) wage rates and requirements set forth in the following BOLI booklet (and any listed amendments to that booklet), which are incorporated herein by reference, apply to the Work authorized under this Contract:

PREVAILING WAGE RATES for Public Works Contracts in Oregon, July 5, 2023, which can be downloaded at the following web address:
<https://www.oregon.gov/boli/employers/Pages/prevailing-wage-rates.aspx>

The Work will take place in Klamath County, Columbia County, and in Clackamas County Oregon.
