

DINE SAFELY

Brought to you by WOU Campus Dining

Our Campus Dining team has worked continuously to make sure our guests are taken care of when returning to campus this fall. Check out some of the new updates, changes and safety protocols in place at our Dining locations on campus.

SANITIZING

Our team will be sanitizing and cleaning high touch surfaces and areas frequently. The dining room and food court will be closed between meal times for sanitizing and cleaning. We have placed automatic hand sanitizer dispensers at every station.

ONLINE ORDERING

NEW! Introducing mobile ordering at WOU. Avoid waiting in lines and order from your mobile device. Simply download the Nutrislice App or visit wou.nutrislice.com, choose your location and submit your order. Pick up your meal at Valsetz and enjoy!

EMENU & KIOSK

Our weekly menu is available to view on our website! You will be able to choose what you want to eat before you get to our Dining Hall. Sort by dietary factors and see nutritional information. A kiosk has been installed so you can view our menu in our food court as well.

MORE TO-GO

We know the demand for grab n go options is a major preference for our customers this fall, which is why there is a variety of to-go options available at Valsetz! All meals in our food court will be packaged to-go! All condiments and silverware are individually packaged and served at each station.

OPEN SEATING

Our dining room is open! Stop in and dine comfortably. Our Dining Room has been rearranged to follow social distancing guidelines. Our campus dining employees will be regularly sanitizing and cleaning the dining room.

WEARING MASKS

All our dining employees will be wearing masks or face shields and all customers will be required to wear a face covering while in our dining locations unless eating or drinking in our dining room.

CATERING

We wish to support our campus community with dining options for meetings and small events. Our catering menu items will be prepared and boxed individually. Please check out our catering homepage for more information or contact us at cater@wou.edu.

WOU ID READER

Card swipe devices have been installed at our cashier stations. All guests will be swiping their own cards for payment at our dining locations instead of handing their cards to the cashier. We prefer cashless transactions and are now accepting apple and google pay!
