

One-Page Math Activity

- Read and think about #1 and #2, but do not do them in class.
- Complete #3, #4, and #5 in class (due next Monday).
- This should take about 45 or 50 Minutes.

Materials

Polygons for Tessellations (NOT pattern blocks)

Activity Set

- Read and think about #1, #2, and #5, but do not do them in class.
- Do #3 and #4 in class (You may need to do some of problem #2 in order to do #3).

Materials

Pattern Blocks for #3

Polygons for Tessellation and Patty Paper for #4

Homework Not Due

- Complete the problems from the One-Page activity, and from the Activity set, that we did not do in class. You do not need to turn these in, but you should do them and think about them.

Homework Due on Monday, October 12:

- Complete and hand in #3, #4, and #5 from the One-Page activity.
- Complete and hand it Activity Set 9.2 exercise #2, #3, and #4, from page 283 in the workbook.
