

## Problem Solving 10.3 – In lieu of GSP

### Instructions:

The questions to be answered are from the hard-cover text book, they come from the questions Exercises and Problems 10.3 starting on page 720. The questions to be answered are:

34, 35, 36

Write up solutions to each question in complete sentences, using clear concise language. Your solutions should include sentences explaining, not just the solution, but how you found the solution. Each questions may have multiple parts and each part may have multiple questions, so make sure that you answer everything.

This is due on Tuesday, November 17.
