

Math 213, FINAL EXAM Review

**The Final Exam is an in-class exam given
noon – 1:50 p.m.
Monday, December 6, 2010
Location: NS 101**

- Your final exam is cumulative. Study all class materials.
- You may use two 3" x 5" notecards on this exam with notes on both sides.
- You may use your calculator, manipulatives, ruler, compass and protractor throughout the final exam. Please bring your personal manipulative kit with you to class.
- No cell phones or nonacademic electronic device may be used during the exam.

WHAT TO STUDY / REVIEW PROBLEMS

- Carefully go over Exam I, Exam II and Exam III.
 - For each vocabulary term or concept on Exams I, II and III; look through the text homework (including chapter tests), the class activities and the text narrative to find similar concepts and problems.
 - Work as many problems as you can. Don't just read over the problems.
 - Rewrite exam problems.
 - Work out as many odd text problems as you can.
 - Review your class activities. Actually work out problems.

REVIEW DAYS

- Part of Thursday and all of Friday will be final review days. Come to class prepared with questions.
- Your pre-final course percent will be handed out with an Exam 3 grade sheet on Thursday.

OFFICE HOURS

- See Klay's web page for usual office hours. I will also have office hours on Monday 10 – 11 and email office hours on Sunday (12:30 – 1:30). Feel free to email me with questions.

WEEKEND HELP

- Feel free to email me: kruczekk@wou.edu. Please state specific questions such as "I don't see where they get the height of the polygon in #12, Section 10.3." This is much more helpful than "I'm stuck on #12, Section 10.3."
